RE: Addendum for Invitation to Bid Number 6895 OF to be opened June 4, 2024, Central Time

Following are the questions submitted and answers provided for the above-mentioned Invitation to Bid. The questions and answers are to be considered as part of the Invitation to Bid. It is the Bidder's responsibility to check the SPB website for all Addenda or Amendments.

<u>Question Number</u>	<u>ITB Section Reference</u>	<u>ITB Page Number</u>	<u>Question</u>	<u>State Response</u>
1	Section VI, Sub Section R	30	In section R (Sampling and Certificate of Compliance During the Life of the Contract), #2, it states that an approved, independent laboratory (from line 8H above) will test a representative sample of each batch or lot to be shipped. I don't see and 8H box but do see laboratories listed in section Q10. Are these the ones that are to be used for this purpose?	Independent laboratories for Supplemental testing are Listed in Section VI, Sub Section Q.10  Those are the correct labs that should be used for testing purposes and dispute resolution requirements.

This Addendum will become part of the ITB and should be acknowledged with the Invitation to Bid.
