

Cost Proposal
2D BLE for the Cheyenne, White, and Niobrara (Phase 1) HUC-6 Watersheds
RFP Number CTP2401

Bidder Name:	
Bidder Address:	
Contact Person:	
Telephone Number:	

Instruction:

1. Fill each Labor class title expected to work on this project. If less than five labor classes are expected, please leave the remaining labor class information columns blank. If more than five classes are expected, please add a column for each additional labor class to each respective chart.

2. Estimate and fill the number of hours needed to complete each task per each respective labor class in the chart below. 'Total Estimate Hours/Task' & 'Total Estimate Hours/Labor Class' should automatically populate via formula and shall not be manually filled.

3. Fill the fixed hourly rate for each respective Labor Class in Row 29. 'Total Estimated Cost/Task', 'Total Estimated Cost/Labor', and 'Total Estimated Project Cost' should

	Labor Class #1	Labor Class #2	Labor Class #3	Labor Class #4	Labor Class #XX
Labor Class Title	[PLEASE FILL]	[PLEASE FILL]	[PLEASE FILL]	[PLEASE FILL]	[PLEASE FILL]

Task #	Task Name	Labor Class #1 - Estimated Hours/Task	Labor Class #2 - Estimated Hours/Task	Labor Class #3 - Estimated Hours/Task	Labor Class #4 - Estimated Hours/Task	Labor Class #XX - Estimated Hours/Task	Total Estimated Hours/Task	Total Estimated Cost/Task
