

State Responses to Vendor Questions for

**NDERFP2210**

<b>Question</b>	<b>Answer</b>
Are you looking for one vendor or multiple vendors to deliver these services? If multiple, could a vendor bid on just one of the scope requirements?	We are looking at one vendor to do the multiple services.
To what extent does the scope in this RFP differ than your current services/structure?	The scope of services in this RFP are currently provided by a single vendor, we are looking to see if there are other options available to provide these services for our state.
Are you looking to supplement, replace, or combine services provided by your current vendor(s)?	Please see answer to #2
How often would the complaint investigator training be provided?	The complaint investigator trainings would be provided quarterly.
