From: Gayle Dietz, Procurement Contracts Officer  
Nebraska Department of Transportation  
RE: Addendum for Request for Proposal Number R302-22, Snowplow Operators

### Revised Scope of Work

Following are the revisions to the above mentioned Request for Proposal. It is the bidder's responsibility to check the Nebraska Department of Transportation website for all addenda or amendments.

**The State of Nebraska, Nebraska Department of Transportation is amending RFP # R302-22 to ADD District 6. Proposals may be submitted with pricing for all areas listed OR per individual District area, as desired.**

**Verbiage to "SECTION V. PROJECT DESCRIPTION AND SCOPE OF WORK" page 22, paragraph one is hereby amended as follows:**

**Delete:**

The State of Nebraska Department of Transportation (NDOT), Operations Division, is requesting proposals for the provision of providing personnel to operate NDOT-provided snowplows and loaders for Districts 1, 2, 3 and 4 (see Attachment A – District Maps). The contractor will assign a main Point of Contact person (POC) who is available 24/7 for notifications and qualified operators necessary for an effective workforce to complete snowplow operations during snow events as specified in this RFP. **Contracts will be awarded according to District Areas, with one contract awarded for District Area 1, one contract awarded for District Area 2, one contract awarded for District Area 3 and one contract awarded for District Area 4. Proposals may be submitted with pricing for all district areas listed OR per individual district area, as desired by the contractor.**

The State of Nebraska Department of Transportation (NDOT), Operations Division, is requesting proposals for the provision of providing personnel to operate NDOT-provided snowplows and loaders for **Districts 1, 2, 3, 4 and 6 (see Attachment A – District Maps and Attachment A1 – District 6 Map)**. The contractor will assign a main Point of Contact person (POC) who is available 24/7 for notifications and qualified operators necessary for an effective workforce to complete snowplow operations during snow events as specified in this RFP. **Contracts will be awarded according to District Areas, with one contract awarded for District Area 1, one contract awarded for District Area 2, one contract awarded for District Area 3, one contract awarded for District Area 4 and one contract awarded for District Area 6. Proposals may be submitted with pricing for all district areas listed OR per individual district area, as desired by the contractor. At the State's sole discretion and in the state's best interest, the State may award single lines (districts) or multiple lines (Districts) to one or more contractors.**

Verbiage to “SECTION V. Paragraph D” page 23, paragraph one is hereby amended as follows:

**Delete:**

**D. MILEAGE REIMBURSEMENT RATE**

Mileage reimbursement rate costs shall be paid at the current rate of mileage reimbursement per Nebraska Revised Statue §81-1176 and will be calculated from the below starting point location to the assigned facility location. The Contractor shall calculate the mileage reimbursement rate costs for any authorized requested NDOT snow removal operation where travel is required by the distance traveled round trip from the district’s location below to the assigned facility location. The Contractor shall verify the closest route from the district’s bid point location to the facility location by utilizing “Google Maps” or a similar mapping system. The districts’ location points are listed below:

|  |                              |
|--|------------------------------|
| <b>District 1: 302 Superior Street, Lincoln, NE</b>              | <b>Operators Required: 3</b> |
| <b>District 2: 4425 South 108<sup>th</sup> Street, Omaha, NE</b> | <b>Operators Required: 3</b> |
