Questions and Answers

Following are the questions submitted and answers provided for the above-mentioned solicitation. The questions and answers are to be considered as part of the solicitation.

| Question Number | <u>RFI</u> <u>Section</u> Reference | <u>RFI</u> <u>Page</u> Number | Question | State Response |
|--------------------|--|-------------------------------------|--|--|
| 1 | A. Schedule of Events | Page 1 | What is the anticipated date for issuing an RFP pursuant to this solicitation? | Please refer to Addendum One Question 1. |
| 2 | B. Background and Historical Context | Page 4 | What level of public participation does the state anticipate for this initiative? | If the State elects to pursue an RFP for the Warmline, the State anticipates incorporating design and development public input sessions, workgroups, and feedback sessions as well as ongoing public/stakeholder input and design feedback to ensure the project addresses the needs of the intended population effectively. |
| 3 | D. Scope of Requested Information | Page 5 | Does the state feel it's advantageous to have a high percentage of representatives who live in a federal HUBZone (HUB) or Nebraska Enterprise Zone (NEZ), to better empathize with callers? | The state is neutral about there being a better ability to empathize with callers due to representative's geographic location. Respondents may share any information they feel would be beneficial for the state to examine the merits of these dynamics. Such dynamics would be carefully considered by the State to discern inclusion of any desired objectives for a subsequent Request for Proposal (RFP). |
| 4 | D. Scope of Requested Information | Page 6 | Are there any page limitations and/or formatting requirements we should be aware of? | No, there is no page limitations for the RFI. Respondents are to provide the information as requested in the RFI document and in accordance with Section (II)(F). There is no specific formatting requirement. |
| 5 | D. Scope of Requested Information – Q3 | Page 6 | Does the State have a defined list of referral types it wants the Warmline to address? | In response to an RFI, the state is interested in information and suggestions about what types of referrals should be considered. If a formal defined list is identified, that will be included in a potential future Request For Proposal (RFP). |
| 6 | D. Scope of Requested Information – Q3 | Page 6 | Does the State have a defined list of the referral types that must be passed along to CFS? | Please refer to Question 5 directly above. |

| 7 | D. Scope of Requested Information – Q13 | Page 6 | Is the State looking for the vendor to provide local support for non-profits exclusively, or in coordination with the Vendor to provide the referral partners? | If the State decides to pursue an RFP, the state envisions the most ideal arrangement would be a combination of local non-profit agencies who already are serving family referrals as well as an inclusion of suggested additional partners, either internal to the vendor or otherwise. |
|----|--|--------|---|---|
| 8 | D. Scope of Requested Information – Q13 | Page 6 | Is it the States goal to vet each local supporting non-profit agency? | No, the state's goal is not to vet each local supporting non-profit agency as a component of a referral network as those agencies are already currently serving families. The state would imagine the selected vendor to likely to gather information regarding these potential referral sources to ensure complete |
| | | | | understanding of service provided, eligibility and capacity. |
| 9 | D. Scope of Requested Information – Q14 | Page 7 | Is the State requiring any professional certification or credentialing of front-line phone personnel? | The state is interested in any information regarding certification or credentialling that interested vendors might already utilize or recommend. responders to also refer to Addendum One Question 10. |
| 10 | D. Scope of Requested Information – Q14 | Page 7 | Does the state have a preference on a specific case management software to be used, and who would be responsible for maintaining the system, etc.? | No, The state does not have a preference/requirement at this time. This RFI is seeking information being proposed from interested vendors for software or platforms already being utilized. Please refer to Addendum One Question 20 for more information |
| | | | | regarding similar question. |
| 11 | General | | Would the State conduct the marketing of this service to promote awareness or is that a requirement of the successful bidder? | This would be a combined effort between State and Vendor. The state seeks information through this RFI on recommendations to ensure broad marketing to a diverse audience. |
| 12 | General question | | Has a budget for the Warmline services already been approved by the legislature? | No budget requests for the Warmline have been sent to the legislature. |
| 13 | | | Does CFS have an estimated budget or planned spending for Warmline services? If yes, can that be provided to RFI respondents as it may impact recommended design and approach. | Please refer to Question 2 in addendum One. |
| 14 | General question | | While we understand this is a new program, can CFS provide an estimate of the number of calls the Warmline might receive per month? | Please refer to Question 13 in addendum One. |

| 15 | General question | | Will the Department perform outreach and promote or publicize information about the Warmline? | See Question 4 in addendum One and Question 11 directly above. |
|----|-----------------------|--------------|--|---|
| 16 | C. Intended Impact | Pages 5-6 | For calls that would come directly into the Warmline, is it expected that the selected contractor will work with CFS to develop a crisis | Yes, if a subsequent RFP is pursued, DHHS would coordinate with the potential selected vendor. |
| | | | transfer protocol and establish criteria for determining what calls need to be transferred to the DHHS Child Abuse and Neglect Hotline? | Any formal training regarding the crisis transfer protocol workflow related but not limited to, DHHS child abuse and neglect hotline, would be announced as a requirement in a potential RFP. |

This addendum will be incorporated into the solicitation.
