RFP Bid Proposal submissions were opened, reviewed and discussed by panel members 29-Aug-2018 @ 1:00 pm.

Results of bids were recorded on the ABSTRACT of OFFERS (attached).

Low bid was Lincoln Security Guards – however due to previous negative reviews and pending litigation with other contracts – the panel opted for next lowest bid by ATS Security Services @ \$729,202.00 annually. ATS Security Services provided extensive substantive documentation on their employee salary breakdown, operating costs, etc. to justify the total bid amount submitted.

Global Security Services, the highest bidder was eliminated because they bid for armed security guards and the RFP and Scope of Work did not require arming the contracted security guards.

***At this time, the evaluation panel members recommend the award of contract go to ATS Security Services in the amount of \$729,202.00 for the contractual period of 10/1/2018 through 9/30/2019.***
