Evaluation Area		General/Overarching					
Evaluation Question: <i>What you want to know.</i>	Indicator(s): <i>A specific, observable, and measurable characteristic or change that shows progress toward achieving a specified objective or outcome.</i>	Data Sources: <i>Where you will collect the data (i.e., program records, surveys, etc.).</i> <i>List a source for each indicator.</i>	Data Collection Method: <i>How you will get the data.</i>	Data Collection Time Frame (mm/dd/yyyy)		Data Analysis	Person(s) Responsible
				Start/T1	End/T2		
1. How is data being used to guide program strategies and activities to target those most affected by cancer?	Number and types of processes used for selecting program strategies and activities	<i>Key Informant interviews and/or focus groups</i>	<i>Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with program manager and stakeholders who are responsible for selecting program strategies and activities.</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>thematic analysis</i>	<i>EXTERNAL EVALUATOR</i>
	Number of data sources used for strategy/activity selection	<i>Data crosswalk</i>	<i>Evaluator will develop a data crosswalk tool to track data sources utilized by the NCCCP. The tool will be updated based on data collected from the KI interviews and/or focus groups.</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number/type of strategies and activities developed or created based on data	<i>Key Informant interviews and/or focus groups</i>	<i>Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with program manager and stakeholders who are responsible for selecting program strategies and activities.</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>thematic analysis</i>	<i>EXTERNAL EVALUATOR</i>
	Number and type of facilitators and barriers to data utilization	<i>Key Informant interviews and/or focus groups</i>	<i>Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with program manager and stakeholders who are responsible for selecting program strategies and activities.</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>thematic analysis</i>	<i>EXTERNAL EVALUATOR</i>
		<i>Administrative records; quarterly reports from funded partners</i>	<i>Evaluator will review quarterly reports and administrative records on a quarterly basis to track barriers and facilitators to data utilization.</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
2. Does the program have the appropriate data to guide decision	Number and type of data sources	<i>Data crosswalk</i>	<i>Evaluator will develop a data crosswalk tool to track data sources utilized by the NCCCP. The tool</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>

making and program planning?			<i>will be updated based on data collected from the KI interviews and/or focus groups.</i>				
3. Are innovative and promising practices positively impacting those most affected by cancer due to social determinants of health and other risk factors?	Number and types of data gaps identified	<i>Key Informant interviews and/or focus groups</i>	<i>Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with program manager and stakeholders who are responsible for utilizing program data. During Year 1 interviews/focus groups evaluator will present an initial draft of the data crosswalk for participants to respond to.</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number and proportion of strategies/programs being implemented that are considered promising or innovative practices	<i>Administrative records; quarterly reports from funded partners</i>	<i>Evaluator will review quarterly reports and administrative records during Year 3 and Year 5 and note any innovative and promising practices.</i>	<i>Jan-2025</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number and proportion of strategies being implemented that address social determinants of health and/or risk factors	<i>Administrative records; quarterly reports from funded partners</i>	<i>Evaluator will review quarterly reports and administrative records during Year 3 and Year 5 and note any innovative and promising practices.</i>	<i>Jan-2025</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number and demographics of those reached by program, activity or practice	<i>Administrative records; quarterly reports from funded partners</i>	<i>Evaluator will review quarterly reports and administrative records on a quarterly basis to track the reach of those involved in the project.</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Proportion improvement toward short, intermediate, and long-term outcomes among those targeted by innovative and promising practices	<i>Administrative records; quarterly reports (screening data) from funded partners, BRFSS, NESIIS</i>	<i>Evaluator will review quarterly reports and administrative records on a quarterly basis, BRFSS and NESIIS data on an annual basis to track outcomes.</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>

4. How is the NE CCCP promoting cancer health equity?	Number and magnitude of disparities in cancer incidence and mortality among racial/ethnic groups	<i>Nebraska Cancer Registry (NCR)</i> <i>National Cancer Institute (NCI) State Cancer Profiles</i>	<i>Evaluator will review NCR data or most recent report on an annual basis.</i> https://dhhs.ne.gov/Pages/Cancer-Registry.aspx <i>Evaluator will review Nebraska's State Cancer Profile data on an annual basis.</i> https://statecancerprofiles.cancer.gov/index.html	Jan-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR and DHHS epidemiologist
	Number and magnitude of disparities in cancer incidence and mortality among urban and rural counties	<i>Nebraska Cancer Registry (NCR)</i> <i>National Cancer Institute (NCI) State Cancer Profiles</i>	<i>Evaluator will review NCR data or most recent report on an annual basis.</i> https://dhhs.ne.gov/Pages/Cancer-Registry.aspx <i>Evaluator will review Nebraska's State Cancer Profile data on an annual basis.</i> https://statecancerprofiles.cancer.gov/index.html	Jan-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR and DHHS epidemiologist
	Number and magnitude of disparities in CRC screening rates among racial/ethnic groups	<i>Behavioral Risk Factor Surveillance system (BRFSS)</i> <i>National Cancer Institute (NCI) State Cancer Profiles</i>	<i>Evaluator will review Nebraska BRFSS data reports on an annual basis.</i> https://dhhs.ne.gov/Pages/BRFSS-Reports.aspx <i>Evaluator will review Nebraska's State Cancer Profile data on an annual basis.</i> https://statecancerprofiles.cancer.gov/index.html	Jan-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR
	Number and type of workplan activities that include a focus on addressing cancer health equity	<i>Administrative records; quarterly reports from funded partners, annual workplans from subrecipients</i>	<i>Evaluator will review quarterly reports and administrative records on a continuous basis and track work plan activities that are focused on addressing cancer health equity</i>	Jan-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR
	Number and type of facilitators and barriers to promoting cancer health equity	<i>Administrative records; quarterly reports from funded partners</i>	<i>Evaluator will review quarterly reports and administrative records on a quarterly basis to track barriers and facilitators to promoting health equity</i>	Jan-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR
		<i>Partner survey</i>	<i>Evaluator will develop an online survey, administer to partners on an annual basis</i>	Jul-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR

		<i>Key Informant interviews and/or focus groups</i>	<i>Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with program manager and stakeholders who are responsible for promoting cancer health equity</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>thematic analysis</i>	<i>EXTERNAL EVALUATOR</i>
	Proportion of adults who report ever being told they have cancer (in any form), by race/ethnicity and by urban/rural health department districts	<i>Behavioral Risk Factor Surveillance system (BRFSS)</i>	<i>Evaluator will review Nebraska BRFSS data reports on an annual basis. https://dhhs.ne.gov/Pages/BRFSS-Reports.aspx</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Proportion of adults who are current cigarette smokers, by race/ethnicity and by urban/rural health department districts	<i>Behavioral Risk Factor Surveillance system (BRFSS)</i>	<i>Evaluator will review Nebraska BRFSS data reports on an annual basis. https://dhhs.ne.gov/Pages/BRFSS-Reports.aspx</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Proportion of adults who are obese (BMI=30+), by race/ethnicity and by urban/rural health department districts	<i>Behavioral Risk Factor Surveillance system (BRFSS)</i>	<i>Evaluator will review Nebraska BRFSS data reports on an annual basis. https://dhhs.ne.gov/Pages/BRFSS-Reports.aspx</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>

Partnerships							
Evaluation Area	Indicator(s): <i>A specific, observable, and measurable characteristic or change that shows progress toward achieving a specified objective or outcome.</i>	Data Sources: <i>Where you will collect the data (i.e., program records, surveys, etc.).</i> <i>List a source for each indicator.</i>	Data Collection Method: <i>How you will get the data.</i>	Data Collection Time Frame (mm/dd/yyyy)		Data Analysis:	Person(s) Responsible
				Start/T1	End/T2		
1. How have NE CCCP and the coalition utilized partners to accomplish objectives, including efforts to address health disparities and promote health equity?	Number and type of partners for NE CCCP and the coalition	<i>Partner log</i>	<i>Evaluator will develop a log to track partners, update on a biannual basis in conjunction with NE CCCP and coalition staff.</i>	<i>Dec-2022</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number of partners engaged in or committed to activities aimed at addressing health disparities and/or promoting health equity	<i>Partner survey</i>	<i>Evaluator will develop an online survey, administer to partners on an annual basis</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Average level of engagement/collaboration among partners	<i>Partner survey</i>	<i>Evaluator will develop an online survey, administer to partners on an annual basis. Partners' level of engagement will be assessed using a Likert scale from 1 to 5. The scale will be a modified version of the community engagement spectrum from the International Association for Public Participation (IAP2): https://cdn.ymaws.com/www.iap2.org/resource/resmgr/pillars/Spectrum_8.5x11_Print.pdf</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>

	Number and type of reasons for partners getting or staying involved	<i>Partner survey</i>	<i>Evaluator will develop an online survey, administer to partners on an annual basis</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Level of capacity among partners for addressing health disparities and health equity	<i>Partner survey</i>	<i>Evaluator will develop an online survey, administer to partners on an annual basis</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number and type of work plan activities fulfilled through partnerships	<i>Partner survey</i>	<i>Evaluator will develop an online survey, administer to partners on an annual basis</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number and type of facilitators and barriers to engaging in partnerships to accomplish objectives	<i>Partner and/or workgroup meeting minutes</i>	<i>Evaluator will review partner and/or workgroup meeting minutes on a continuous basis</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
		<i>Partner survey</i>	<i>Evaluator will develop an online survey, administer to partners on an annual basis</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
		<i>Key Informant interviews and/or focus groups</i>	<i>Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with NE CCCP and the coalition and partners</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>thematic analysis</i>	<i>EXTERNAL EVALUATOR</i>
2. What degree are partnerships representative of a diverse spectrum of sectors?	Number and type of sectors represented by partners	<i>Partner log</i>	<i>Evaluator will develop a log to track partners, update on a biannual basis, and categorize partner by the sectors they represent</i>	<i>Dec-2022</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number of sectors that are missing from partnerships	<i>Key Informant interviews and/or focus groups</i>	<i>Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with NE CCCP and the coalition and partners</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>thematic analysis</i>	<i>EXTERNAL EVALUATOR</i>
	Average level of engagement/collaboration among partners across each sector	<i>Partner survey</i>	<i>Evaluator will develop an online survey, administer to partners on an annual basis. Partners' level of engagement will be assessed using a Likert scale from 1 to 5. The scale will be a modified version of the community engagement spectrum from the International Association for Public Participation (IAP2): https://cdn.ymaws.com/www.iap2.org/resource/resmgr/pillars/Spectrum_8.5x11_Print.pdf</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
3. How are partnership activities making progress	Number and type of EBIs implemented in collaboration with partners	<i>Quarterly reports from funded partners</i>	<i>Evaluator will review quarterly reports on a continuous basis and track EBI progress</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number and type of partner activities completed or in progress	<i>Quarterly reports from funded partners</i>	<i>Evaluator will review quarterly reports on a continuous basis and track EBI progress</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>

towards achieving short, intermediate, and long-term outcomes?	to achieve work plan and/or cancer plan objectives.						
	Number and demographics of those reached through partnership activities	<i>Administrative records; quarterly reports from funded partners</i>	<i>Evaluator will review quarterly reports and administrative records on a quarterly basis to track the reach of those involved in the project.</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number and demographics of those impacted through partnership activities	<i>Administrative records; quarterly reports (screening data) from funded partners, BRFSS, NESIIS</i>	<i>Evaluator will review quarterly reports and administrative records on a quarterly basis, BRFSS and NESIIS data on an annual basis to track demographics.</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Proportion improvement toward short, intermediate, and long-term outcomes	<i>Administrative records; quarterly reports (screening data) from funded partners, BRFSS, NESIIS</i>	<i>Evaluator will review quarterly reports and administrative records on a quarterly basis, BRFSS and NESIIS data on an annual basis to track outcomes.</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number and type of facilitators and barriers to making progress towards achieving short, intermediate, and long-term outcomes; proportion related to partnership activities	<i>Partner and/or workgroup meeting minutes</i>	<i>Evaluator will review partner and/or workgroup meeting minutes on a continuous basis</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
		<i>Partner survey</i>	<i>Evaluator will develop an online survey, administer to partners on an annual basis. Survey will include a set of questions regarding the facilitators and barriers to making progress on the outcomes as well as their perceived level of ability to impact each of the outcomes.</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
		<i>Key Informant interviews and/or focus groups</i>	<i>Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with NE CCCP and the coalition and partners</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>thematic analysis</i>	<i>EXTERNAL EVALUATOR</i>
4. What factors affect partnership maintenance and sustainability (positive and negative)?	Number and type of facilitators and barriers to sustainable partnerships	<i>Partner survey</i>	<i>Evaluator will develop an online survey, administer to partners on an annual basis. Survey will include a set of questions regarding the facilitators and barriers to achieving sustainable partnerships.</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
		<i>Key Informant interviews and/or focus groups</i>	<i>Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with NE CCCP and the coalition and partners</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>thematic analysis</i>	<i>EXTERNAL EVALUATOR</i>

	Number of new partners during the cooperative agreement	Partner survey	Evaluator will develop an online survey, administer to partners on an annual basis. Survey will include a set of questions regarding when the partner became involved in the initiative and how long they have been involved.	Jul-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR
	Average length of partnerships	Partner survey	Evaluator will develop an online survey, administer to partners on an annual basis. Survey will include a set of questions regarding when the partner became involved in the initiative and how long they have been involved.	Jul-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR

Cancer Plan							
Evaluation Area	Indicator(s): A specific, observable, and measurable characteristic or change that shows progress toward achieving a specified objective or outcome.	Data Sources: Where you will collect the data (i.e., program records, surveys, etc.). List a source for each indicator.	Data Collection Method: How you will get the data.	Data Collection Time Frame (mm/dd/yyyy)		Data Analysis:	Person(s) Responsible
				Start/T1	End/T2		
1. How much of the current cancer plan has been implemented?	Number and percent of activities from the current cancer plan that have been completed	2023-2028 Cancer Plan	The plan will be assessed on an annual basis	Jul-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR
		Administrative records; quarterly reports from funded partners	Evaluator will review quarterly reports and administrative records on a quarterly basis	Jan-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR
	Number and percent of activities from the current cancer plan that are in progress	2023-2028 Cancer Plan	The plan will be assessed on an annual basis	Jul-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR
		Administrative records; quarterly reports from funded partners	Evaluator will review quarterly reports and administrative records on a quarterly basis	Jan-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR
	Number and percent of activities from the	2023-2028 Cancer Plan	The plan will be assessed on an annual basis	Jul-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR

	current cancer plan that are not started	<i>Administrative records; quarterly reports from funded partners</i>	<i>Evaluator will review quarterly reports and administrative records on a quarterly basis</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
2. To what degree are the objectives in the Comp Cancer Plan being met and what factors influence that?	Number and percent of objectives from the current cancer plan that have met or exceeded targets	<i>2023-2028 Cancer Plan</i>	<i>The plan will be assessed on an annual basis</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
		<i>Administrative records; quarterly reports from funded partners</i>	<i>Evaluator will review quarterly reports and administrative records on a quarterly basis</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number and percent of objectives from the current cancer plan that did not meet targets	<i>2023-2028 Cancer Plan</i>	<i>The plan will be assessed on an annual basis</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
		<i>Administrative records; quarterly reports from funded partners</i>	<i>Evaluator will review quarterly reports and administrative records on a quarterly basis</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number and type of facilitators and barriers to meeting the targets	<i>Quarterly reports from funded partners</i>	<i>Evaluator will review quarterly reports on a continuous basis and track facilitators and barriers</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
		<i>Key Informant interviews and/or focus groups</i>	<i>Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with program manager and stakeholders who are responsible for implementing the current plan</i>	<i>Jan-2023</i>	<i>Jun-2027</i>	<i>thematic analysis</i>	<i>EXTERNAL EVALUATOR</i>
3. How many partners have participated in implementation of the current plan and what recommendations do they have for improvement?	Number of partners who participated in implementation of the current plan	<i>Administrative records; quarterly reports from funded partners; partner survey</i>	<i>Evaluator will review quarterly reports and administrative records on a quarterly basis to track participation of partners. Evaluator will also develop an online survey, administer to partners on an annual basis.</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>
	Number and type of activities that partners contribute to the current plan	<i>Administrative records; quarterly reports from funded partners; partner survey</i>	<i>Evaluator will review quarterly reports and administrative records on a quarterly basis to track participation of partners. Evaluator will also develop an online survey, administer to partners on an annual basis.</i>	<i>Jul-2023</i>	<i>Jun-2027</i>	<i>descriptive</i>	<i>EXTERNAL EVALUATOR</i>

	Number and type of recommendations for improvement from the current plan	Partner survey	Evaluator will develop an online survey, administer to partners on an annual basis	Jul-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR
4. Are EBIs for activities being implemented as planned? Why or why not?	Average fidelity score for each intervention being implemented	Scan and Plan tool	Evaluator will develop a Scan and Plan tool in Year 3	Jul-2025	Jun-2027	descriptive	EXTERNAL EVALUATOR
	Number and type of facilitators and barriers to implementing EBIs as planned	Quarterly reports from funded partners	Evaluator will review quarterly reports on a continuous basis and track facilitators and barriers	Jul-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR
		Key Informant interviews and/or focus groups	Evaluator will conduct interviews and/or focus groups during Years 1 and 5 with program manager and stakeholders who are responsible for implementing the activities	Jan-2023	Jun-2027	thematic analysis	EXTERNAL EVALUATOR
5. Are interventions reaching the intended persons? Why or why not?	Number and demographics of individuals reached through EBIs	Quarterly reports from funded partners	Evaluator will review quarterly reports on a continuous basis and track EBI progress	Jul-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR
	Number and type of facilitators and barriers to reaching the intended persons	Quarterly reports from funded partners	Evaluator will review quarterly reports on a continuous basis and track facilitators and barriers	Jul-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR
		Key Informant interviews and/or focus groups	Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with program manager and stakeholders who are responsible for implementing the activities	Jan-2023	Jun-2027	thematic analysis	EXTERNAL EVALUATOR
6. Are entities able to sustain EBIs implemented and other changes made?	Number and type of facilitators and barriers to sustaining the EBIs	Partner Survey	Evaluator will develop an online survey, administer to partners on an annual basis. Questions to assess sustainability will be added in 2025.	Jul-2025	Jun-2027	descriptive	EXTERNAL EVALUATOR
		Quarterly reports from funded partners	Evaluator will review quarterly reports on a continuous basis and track facilitators and barriers	Jul-2023	Jun-2027	descriptive	EXTERNAL EVALUATOR

	Perceived level of sustainability for EBIs	Key Informant interviews and/or focus groups	Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with program manager and stakeholders who are responsible for implementing the activities	Jan-2023	Jun-2027	thematic analysis	EXTERNAL EVALUATOR
		Partner Survey	Evaluator will develop an online survey, administer to partners on an annual basis. Questions to assess sustainability will be added in 2025.	Jul-2025	Jun-2027	descriptive	EXTERNAL EVALUATOR
		Key Informant interviews and/or focus groups	Evaluator will conduct interviews and/or focus groups during Years 1, 3, and 5 with program manager and stakeholders who are responsible for implementing the activities	Jan-2023	Jun-2027	thematic analysis	EXTERNAL EVALUATOR
