Standard Terms and Conditions

IMPORTANT NOTICE: Pursuant to Neb. Rev. Stat. § 84-602.04, State contracts in effect as of January 1, 2014, and contracts entered into thereafter, must be posted to a public website. The resulting Participating Addendum will be posted to a public website managed by DAS, which can be found at http://statecontracts.nebraska.gov.

Contractor may request that proprietary information be excluded from the posting. The Contractor must identify the proprietary information, mark the proprietary information according to state law, and submit the proprietary information in a separate container or envelope marked conspicuously in black ink with the words "PROPRIETARY INFORMATION". The Contractor must submit a detailed written document showing that the release of the proprietary information would give a business advantage to named business competitor(s) and explain how the named business competitor(s) will gain an actual business advantage by disclosure of information. The mere assertion that information is proprietary or that a speculative business advantage might be gained is not sufficient. (See Attorney General Opinion No. 92068, April 27, 1992) THE CONTRACTOR MAY NOT ASSERT THAT THE ENTIRE PARTICIPATING ADDENDUM IS PROPRIETARY. COSTS WILL NOT BE CONSIDERED PROPRIETARY AND ARE A PUBLIC RECORD IN THE STATE OF NEBRASKA. The State will then determine, in its discretion, if the interests served by nondisclosure outweighs any public purpose served by disclosure. (See Neb. Rev. Stat. § 84-712.05(3)). The Contractor will be notified of the agency's decision. Absent a State determination that information is proprietary, the State will consider all information a public record subject to release regardless of any assertion that the information is proprietary.

If the agency determines it is required to release proprietary information, the Contractor will be informed. It will be the Contractor's responsibility to defend the Contractor's asserted interest in non-disclosure.

To facilitate such public postings, with the exception of proprietary information, the State of Nebraska reserves a royalty-free, nonexclusive, and irrevocable right to copy, reproduce, publish, post to a website, authorize others to use the documents, or otherwise use the Participating Addendum or other documents received with regard to the Participating Addendum. Contractor specifically waives any copyright or other protection the Participating Addendum or other documents may have. This reservation and waiver is a prerequisite for entering into this Participating Addendum.

Contractor agrees not to sue, file a claim, or make a demand of any kind, and will indemnify and hold harmless the State and its employees, volunteers, agents, and its elected and appointed officials from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses, sustained or asserted against the State, arising out of, resulting from, or attributable to the posting of the Participating Addendum or documents.

I. TERMS AND CONDITIONS

Contractor should complete Sections I through III. Contractor is expected to read the Terms and Conditions and should either accept or provide alternative language for each clause. Please use the Track Change Function. The Contractor should also provide an explanation of why the Contractor provided alternate language. The State reserves the right to negotiate proposed alternative language. If the State and Contractor fail to agree on the final Terms and Conditions, the State reserves the right to withdraw the offer.

The Contractors should submit in an editable format any license, user agreement, service level agreement, or similar documents that the Contractor wants incorporated in the Participating Addendum. These Contractor documents shall be subject to negotiation and will be incorporated as addendums if agreed to by the Parties. The State will not consider incorporation of any document not submitted with the Contractor's response to these Terms and Conditions as the document(s) will not have been included in the negotiation process.

If a conflict or ambiguity arises after the Participating Addendum have been negotiated and agreed to, the Participating Addendum shall be interpreted as follows:

1. If only one Party has a particular clause then that clause shall control;
2. If both Parties have a similar clause, but the clauses do not conflict, the clauses shall be read together;
3. If both Parties have a similar clause, but the clauses conflict, the State's clause shall control.

A. GENERAL

2. Master Agreement
3. Amendments/Addendums (PA only)
4. The Solicitation (PA only)
5. Contractor's Response to the Solicitation (PA only)

These documents constitute the entirety of the Participating Addendum.

Unless otherwise specifically stated in a future Participating Addendum amendment, in case of any conflict between the incorporated documents, the documents shall govern in the following order of preference with number one (1) receiving preference over all other documents and with each lower numbered document having preference over any higher numbered document: 1) Amendment to the executed Participating Addendum or Master Agreement with the most recent dated amendment having the highest priority, 2) executed Participating Addendum and any attached Addenda, 3) executed Master Agreement and any Addendum, 4) Statement of Work, 5) the Solicitation, and 6) Contractor's Response to the Solicitation.
