- 9.5 **Failure by Vendor.** MMCAP Infuse reserves the right to immediately terminate the Agreement if the Vendor is not in compliance with the insurance requirements and retains all rights to pursue any legal remedies against the Vendor. Certified copies of all insurance policies must be open to inspection by Minnesota, and copies of evidence of insurance policies must be submitted to MMCAP Infuse upon written request.
- 9.6 **Submission.** In the event that a court of competent jurisdiction orders Vendor to disclose its insurance policy(ies) in connection with discovery during litigation brought as a result of a dispute between the parties, Vendor agrees to adhere to such court's order with respect to disclosure of such policy(ies).

GENERAL TERMS

- 10.1 **Notices.** If one party is required to provide legal notice or notice under the terms of the Agreement to the other, such notice will be in writing and will be effective upon dispatch. Delivery shall be by certified United States mail, or by email or facsimile transmission provided the receipt of the transmission is confirmed by the receiving party. Either party must notify the other of a change in address for notification purposes.
- 10.2 **Audits.** Under Minn. Stat. § 16C.05, subd. 5, the Vendor's books, records, documents, and accounting procedures and practices relevant to this Agreement are subject to examination by the Minnesota, MMCAP Infuse, and/or the Minnesota Auditor or Legislative Auditor, as appropriate, for a minimum of six (6) years from the end of this Agreement. This clause extends to the Membership as it relates to business conducted with and sales a Member.
- A. **Invoice and Pricing Audit.** MMCAP Infuse and Members served by this Agreement may periodically audit Members to determine the validity of invoice pricing. Such audits may be conducted only during ordinary business hours and upon reasonable notice.
- B. **Costs.** Vendor, MMCAP Infuse, and Members shall each be responsible for its own costs associated with any audit, including costs related to the production of records and/or other documents requested by the other party.
- 10.3 **Personnel Changes.** Vendor will notify MMCAP Infuse of changes in the Vendor's key personnel, in advance and in writing. Any employee of Vendor, who, in the opinion of MMCAP Infuse, is unacceptable, will be removed from the project upon written notice to the Vendor. In the event that an employee is removed pursuant to a written request from MMCAP Infuse, the Vendor will have ten (10) business days in which to fill the role with an acceptable employee.
- 10.4 **Assignment.** The Vendor may neither assign nor transfer any rights or obligations under this Agreement without the prior consent of MMCAP Infuse and a fully executed assignment agreement.
- 10.5 **Amendments.** Any amendment to this Agreement must be in writing and will not be effective until it has been executed and approved by the same parties who executed and approved this Agreement, or their successors in office.
- 10.6 **Order of Precedence.** Vendor agrees that applicable federal and state law will supersede this Agreement, however this Agreement will take precedence over all other the terms, covenants, conditions, commitments, stipulations, order forms, website use of terms, and other legal documents MMCAP Infuse, Vendor, and/or Member may use in the performance of this Agreement. If the provisions of this Agreement are inconsistent with any of the terms and provisions of the aforementioned legal documents in this section, this Agreement will supersede and govern. MMCAP Infuse does not agree to or bound by any additional terms and conditions between the Vendor and Member nor changes made to **Attachment G**
- 10.7 **Counterparts and Electronic Signature.** The Agreement cannot be executed in counterparts and will not be enforceable until MMCAP Infuse has obtained all required signatures. If requested by MMCAP Infuse and Vendor expressly agree to conduct transactions under the Agreement by electronic means (including, without limitation, with respect to execution, delivery, storage, and transfer of this Agreement by electronic means and to the enforceability of this electronic agreement). MMCAP Infuse will be deemed to have control of the authoritative copy for the electronic transferable record, in each case regardless of whether applicable law recognizes electronic transferable records or control of electronic transferable records and regardless of whether this Agreement is an electronic record or transferable record.
- 10.8 **Severability.** If any provision of the Agreement, including items incorporated by reference, is found to be illegal, unenforceable, or void, then both MMCAP Infuse and the Vendor will be relieved of all obligations arising under such provisions. If the remainder of the Agreement is capable of performance, it will not be affected by such declaration or finding, and will be fully performed.
- 10.9 **Waiver.** If either party fails to enforce any provision of this Agreement, that failure does not waive the provision or its right to enforce it.
- 10.10 **Governing Law, Jurisdiction, and Venue.** Minnesota law, without regard to its choice-of-law provisions, governs this Agreement. Venue for all legal proceedings out of this Agreement, or its breach, must be in the appropriate

state or federal court with competent jurisdiction in Ramsey County, Minnesota. Except to the extent that the provisions of this Agreement are clearly inconsistent therewith, this Agreement will be governed by the Minn. Stat. § 336, the Uniform Commercial Code (UCC) as adopted by the State of Minnesota. To the extent this Agreement entails delivery or performance of services, such services will be deemed "goods" within the meaning of the UCC except when to do so is unreasonable.

ATTACHMENT E
Minnesota Statutory Procurement Language

1. **Government Data Practices.** Parties to this Agreement must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13 (Data Practices Act), as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Vendor under this Agreement.
 - A. Notification. If the Vendor receives a request to release the data referred to in statute, the Vendor must immediately notify and consult with MMCAP Infuse as to how the Vendor should respond to the request.
 - B. Indemnification. Vendor agrees to indemnify, save, and hold Minnesota, its agent and employees, harmless from all claims arising out of, resulting from, or in any manner attributable to any violation of any provision of the Data Practices Act, including legal fees and disbursements paid or incurred to enforce this provision of the Agreement.
 - C. Release of MMCAP Infuse Data. Except as may be required by Data Practices Act, Vendor will not release to any third party any MMCAP Infuse customer data, sales transaction data, DEA/HIN information, contract pricing, EDI transaction data, reverse distribution data, or payment data.
2. **Non-discrimination.** The Vendor will comply with the provisions of Minn. Stat. § 181.59 which require:
 - A. Every contract for or on behalf of the state of Minnesota, or any county, city, town, township, school, school district, or any other district in the state, for materials, supplies, or construction shall contain provisions by which the Vendor agrees:
 - i. that, in the hiring of common or skilled labor for the performance of any work under any contract, or any subcontract, no contractor, material supplier, or Vendor, shall, by reason of race, creed, or color, discriminate against the person or persons who are citizens of the United States or resident aliens who are qualified and available to perform the work to which the employment relates;
 - ii. that no contractor, material supplier, or Vendor, shall, in any manner, discriminate against, or intimidate, or prevent the employment of any person or persons identified in clause (i) of this section, or on being hired, prevent, or conspire to prevent, the person or persons from the performance of work under any contract on account of race, creed, or color;
 - iii. that a violation of this section is a misdemeanor; and
 - iv. that this contract may be canceled or terminated by the state, county, city, town, school board, or any other person authorized to grant the contracts for employment, and all money due, or to become due under the contract, may be forfeited for a second or any subsequent violation of the terms or conditions of this contract.
3. **Workforce requirements for contracts in excess of \$100,000 and if the Vendor has more than forty (40) full-time employees in Minnesota or its principal place of business.**
 - A. Covered contracts and contractors. If the Agreement exceeds \$100,000 and the Vendor employed more than forty (40) full-time employees on a single working day during the previous twelve (12) months in Minnesota or in the state where it has its principal place of business, then the Vendor must comply with the requirements of Minn. Stat. § 363A.36 and Minn. R. 5000.3400-5000.3600. A contractor covered by Minn. Stat. § 363A.36 because it employed more than forty (40) full-time employees in another state and does not have a certificate of compliance, must certify that it is in compliance with federal affirmative action requirements.
 - B. Minn. Stat. § 363A.36. Minn. Stat. § 363A.36 requires the Vendor to have an affirmative action plan for the employment of minority persons, women, and qualified disabled individuals approved by the Minnesota Commissioner of Human Rights (**Commissioner**) as indicated by a certificate of compliance. The law addresses suspension or revocation of a certificate of compliance and contract consequences in that event. A contract awarded without a certificate of compliance may be voided.
 - C. Minn. R. 5000.3400-5000.3600.
 - i. General. Minn. R. 5000.3400-5000.3600 implements Minn. Stat. § 363A.36. These rules include, but are not limited to, criteria for contents, approval, and implementation of affirmative action plans; procedures for issuing certificates of compliance and criteria for determining a Vendor's compliance status; procedures for addressing deficiencies, sanctions, and notice and hearing; annual compliance reports; procedures for compliance review; and contract consequences for non-compliance. The specific criteria for approval or rejection of an affirmative action plan are contained in various provisions of Minn. R. 5000.3400-5000.3600 including, but not limited to, Minn. R. 5000.3420-5000.3500 and 5000.3552-5000.3559.
 - ii. Disabled Workers. The Vendor must comply with the following affirmative action requirements for disabled workers.
 - a. The Vendor must not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The Vendor agrees to take affirmative action to employ, advance in employment, and otherwise treat qualified disabled persons without

discrimination based upon their physical or mental disability in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

- b. The Vendor agrees to comply with the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
 - c. In the event of the Vendor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with Minn. Stat. § 363A.36, and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
 - d. The Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Commissioner. Such notices must state the Vendor's obligation under the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.
 - e. The Vendor must notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Vendor is bound by the terms of Minn. Stat. § 363A.36, of the Minnesota Human Rights Act and is committed to take affirmative action to employ and advance in employment physically and mentally disabled persons.
 - iii. Consequences. The consequences for the Vendor's failure to implement its affirmative action plan or make a good faith effort to do so include, but are not limited to, suspension or revocation of a certificate of compliance by the Commissioner, refusal by the Commissioner to approve subsequent plans, and termination of all or part of this Agreement by the Commissioner or Minnesota.
 - iv. Certification. The Vendor hereby certifies that it is in compliance with the requirements of Minn. Stat. § 363A.36 and Minn. R. 5000.3400-5000.3600 and is aware of the consequences for noncompliance.
4. **E-Verify certification (In accordance with Minn. Stat. § 16C.075)**. For services valued in excess of \$50,000, Vendor certifies that as of the date of services performed on behalf of Minnesota, Vendor and all its subcontractors will have implemented or be in the process of implementing the federal E-Verify Program for all newly hired employees in the United States who will perform work on behalf of Minnesota. Vendor is responsible for collecting all subcontractor certifications and may do so utilizing the E-Verify Subcontractor Certification Form available at <http://www.mmd.admin.state.mn.us/doc/EverifySubCertForm.doc>. All subcontractor certifications must be kept on file with Vendor and made available to Minnesota upon request.
5. **Certification of Nondiscrimination (In accordance with Minn. Stat. § 16C.053)**. The following term applies to any contract for which the value, including all extensions, is \$50,000 or more: Vendor certifies it does not engage in and has no present plans to engage in discrimination against Israel, or against persons or entities doing business in Israel, when making decisions related to the operation of the Vendor's business. For purposes of this section, "discrimination" includes but is not limited to engaging in refusals to deal, terminating business activities, or other actions that are intended to limit commercial relations with Israel, or persons or entities doing business in Israel, when such actions are taken in a manner that in any way discriminates on the basis of nationality or national origin and is not based on a valid business reason.
6. **Contingency Fees Prohibited**. Pursuant to Minnesota Statute § 10A.06, no person may act as or employ a lobbyist for compensation that is dependent upon the result or outcome of any legislation or administrative action.
7. **Subcontractor Reporting**. If the total value of this contract may exceed \$500,000, including all extension options, Vendor must track and report, on a quarterly basis, the amount spent with diverse small businesses. When this applies, Vendor will be provided free access to a portal for this purpose, and the requirement will continue as long as the contract is in effect.

Recalls:

When notified by the manufacturer of a recall and/or advisory, our customers are notified within 72 hours. Once we are provided a list of products we will review and notify MMCAP Infuse if there are any possible advisories or recalls which have not been announced to the public.

Henry Schein, Inc. has implemented systems and procedures to timely and effectively conduct product recalls/withdrawals initiated by a manufacturer, the FDA, or any other recalling firm as well as to ensure compliance with all appropriate laws and regulations.

When a recall/withdrawal notification is first received, Henry Schein, Inc. assures all pertinent information is included within the notification. Once all of the required information has been obtained, we will proceed to determine if Henry Schein, Inc. distributes any of the affected product(s). If it is found that any of our distribution centers have inventory of the specified item(s), the product(s) are made unavailable for sale (to ensure our customers are not shipped potentially defective product) and our distribution centers are advised to conduct an inventory check to pull any affected product. If affected product is found on hand, it will be removed from saleable inventory and placed into quarantine where it will remain until the final disposition of the product has been made.

Product recalls/withdrawals are conducted to the Wholesale, Professional/Retail or End-User Level, as instructed by the recalling firm initiating the action to be taken. For product recalls/withdrawals conducted to the Professional/Retail or End-User level, Henry Schein, Inc. will build a database for all customers who may have potentially received the affected product(s). Henry Schein, Inc. will send out a comprehensive recall/withdrawal notification, via first class mail, to these accounts within 72 hours of the receipt of the original recall/withdrawal notification. Notifications to our customers will include product codes and lot numbers for the items on recall, the reason for the recall and the corrective action to be taken.

For recalls/withdrawals in which customers will be instructed to return affected product, their accounts will be credited for the product returned as well as the shipping expenses associated with the return of the affected product(s). Henry Schein, Inc.'s systems are updated with the relative recall information to ensure any affected product on any incoming shipment will be flagged and will not make into our inventory.
