Dear Teammates,

Thank you for your years of service and dedication to the State of Nebraska.

I have declared October as "State of Nebraska Teammate Recognition Month" to acknowledge the great work being done all across the State. During this month, we will travel to seven cities throughout Nebraska to recognize 2,157 of our colleagues for their years of dedication. These teammates

represent a combined total of 31,525 years of public service to our State.

Every day, you and your fellow teammates work together to deliver on our mission of making state government more effective, more efficient, and customer focused. It is because of dedicated team members like you that we can continue to grow our standards of excellence in public service. I am honored to serve with you, and I know that by working together we will continue to grow Nebraska for future generations.

Thank you for all you do for the people of Nebraska and congratulations on your achievements.

Thank you,

Pete Ricketts,  
Governor
