Public Servant Recognition Month
October 2023

Nebraska Public Servants:

We have an amazing group of people who have answered the call to help our citizens live better lives, each and every day. I am honored to serve alongside you.

Our team members are service providers, program facilitators, problem solvers, innovators, and more. We wear many hats. Public service means dedication and

determination - to do the right thing by the people we serve. We do it with fidelity to the expectations we have set for ourselves and for our agencies.

October is State of Nebraska Public Servant Recognition Month. During this month, we acknowledge the amazing work of our colleagues. Some have been with us a relatively short time. Many of our public servants have been with the state for decades... and counting!

This month, we will host events in seven cities, recognizing 2,269 public servants with a combined 32,965 years of service. Together, we continue to deliver on our promise to run state government like a business, with a focus on exemplary customer service.

I offer my personal appreciation for all that you do for our state. Together we can... and together we will... make Nebraska better for generations to come!

Sincerely,

Jim Pillen

Governor of Nebraska
