Welcome

Dear Nebraska Teammates,

Welcome to the 2022-2023 Options Guide! The State of Nebraska continues to offer a comprehensive benefits package to support the health and well-being of your family, protect your income while you are working, provide financial security in the event of your disability or death, help you save for retirement and help enhance your personal responsibilities, as well as help to maintain work/life balance.

We are pleased to continue to provide this guide highlighting many of the teammate benefits and programs options available to State of Nebraska teammates. For additional and more detailed information concerning plan options, please visit our website: das.nebraska.gov/personnel/wellness/index.html.

We will continue to offer the WellNebraska (with Incentive) plan to those that are eligible with the completion of the Rally Survey by the deadline. If you or your spouse failed to meet the requirement, you will see your medical coverage showing as WAIVED in your OE event, and you will need to select another plan option to ensure you have medical coverage for the plan year. A few other programs that will remain for 2022-2023 are the Direct Primary Care plans through Strada Health and the State of Nebraska offering Enhanced Maternity Benefits all of which are included in this Options Guide.

The 2022-2023 enhancements and plan year changes include:

- **0% increase on Premiums if you elect the plan that you are currently on:** As the Governor shared in December of last year, due to the health of our plan he has approved that there will be no increases on the medical plan premiums. This is the amount you see come out of your payroll. Please note if you change plans during the OE process you will see a different premium cost to reflect that plan design and cost.
- **A one-time only (up to) \$250 Wellness Benefit reimbursement per UnitedHealthcare medical plan:** If you are a State of Nebraska teammate on one of our UHC medical plan as of 7/1/22 you will be eligible to submit receipts for an eligible wellness related service/purchase for a one-time only reimbursement up to \$250. There will be more information provided concerning this benefit closer to Open Enrollment.
- **A one-time only \$500 Employer contribution to your HSA/FSA per UnitedHealthcare medical plan:** If you are a State of Nebraska teammate on one of our UHC medical plan as of 7/1/22 you will be eligible to receive a one-time only employer contribution to your HSA/FSA. You are welcome to elect your own deduction in addition to the one-time contribution for any total that does not exceed the IRS annual limit. If you receive funds for an FSA and do not use them by the deadline, those funds will be forfeited back to the plan. See page 20-21 of the Options Guides for additional FSA info and deadlines.
- **Dental plan with Ameritas is offering a true Open Enrollment:** Due to a new contract with Ameritas effective as of 7/1/22 they are offering a true open enrollment. This means that even if you have waived the coverage in the past, you have a one time only option to enroll in the plan with no waiting periods being imposed. Anyone currently on the dental plan will not have to re-elect if you chose to continue the coverage.

To select the best benefit options for you and your family, it is recommended that you review plan options and changes or seek clarification prior to the Open Enrollment period. If you have questions, please talk to your Human Resource representative, or visit with an Employee Wellness and Benefits Specialist by calling 402-471-4443 or 877-721-2228 during business hours or email the team at as.employeebenefits@nebraska.gov.

This year's Open Enrollment begins Tuesday May 3, 2022 at 7 a.m. CST and runs through Tuesday May 17, 2022 at 5 p.m. CST.

Thank you for choosing the State of Nebraska as your employer. We value your commitment to delivering quality services that matter to the State of Nebraska.

Sincerely,

Christy Osentowski,
Wellness and Benefits Administrator
Department of Administrative Services - State Personnel

Open Enrollment 2022

All State of Nebraska teammates are required to log into the Employee Work Center and complete the Open Enrollment process. As you make your Open Enrollment plan selections, please take the time to verify and update any contact information (address, email, phone number, etc.) for you, your dependents, and your beneficiaries. It is very important that we have current contact information for all Nebraska Teammates.

Employment Status (ONLY for purposes of benefit eligibility)

To comply with the Affordable Care Act, part-time teammates scheduled to work between 30-39 hours on average per week will pay the same health insurance premium as full-time teammates.

Full-time teammates: Scheduled to work 40 hours per week

Part-time teammates: Scheduled to work 20-39 hours per week

Temporary teammates: Eligible for the state's group health, dental, short and long-term disability, HSA, and FSA dependent care plans if they work at least 20 hours per week and are placed in a position with a six-month assignment or longer.

Open Enrollment

Begins: Tuesday, May 3, 2022,
7:00 a.m. CST.

Ends: Tuesday, May 17, 2022,
5:00 p.m. CST.

Eligible Dependent Types:

- Legal Spouse, as a result of a marriage that is valid and recognized by State of Nebraska law.
- Children up to age 26, including:
 - Natural child
 - Step child, if enrolled in Family coverage
 - Legally adopted child
 - Child placed with you for adoption
 - Child, or grandchild, for whom you have legal custody, legal guardianship or court ordered custody
- Child over 26, if disabled and dependent upon you for support
 - Child must be disabled prior to age 26
 - Child must be covered on the State health plan upon attaining age 26

Types of Coverage

- Employee Only - (Single Coverage)
- Employee + Spouse - (Two-Party Coverage)
- Employee + Dependent Children - (Four-Party Coverage)
- Employee + Spouse + Dependent Children - (Family Coverage)

LB551 – Dependents up to Age 30

A teammate may elect to continue coverage to age 30 for a dependent child who would otherwise lose coverage when he/she attains an age which exceeds the plan's limiting age (age 26), provided that the following criteria are met:

- The child remains financially dependent upon the teammate; and
- The child was covered as an Eligible Dependent at the time coverage would have terminated.

In order to elect continuation coverage for a child turning age 26, the dependent must currently be covered under the plan and lose coverage due to the eligibility. Contact your HR representative to enroll.

The premium for continuation coverage will be equal to the plan's full, unsubsidized single adult premium. The teammate will be responsible for paying the full premium each month through post tax payroll deduction.

The coverage will terminate if:

- The teammate requests the termination because they no longer meet the criteria
- The teammate's coverage with UnitedHealthcare terminates
- The covered dependent:
 - Marries
 - Is no longer a resident of Nebraska
 - Receives coverage under another health benefit plan or self-funded employee benefit plan
 - Attains age 30

Continuation coverage will terminate at the end of the month in which any event listed above occurs. Coverage cannot be reinstated once it has been terminated.

Dependent (Spouse & Children) Eligibility Verification Process

The Dependent Eligibility Verification process is completed on all new dependents enrolled on the State's health insurance plan. Teammates will receive a letter or email from Alight Dependent Verification Center (formerly Aon Hewitt), the state's third-party vendor, requesting documentation to show dependents enrolled on a state health plan meet the Dependent Eligibility criteria. Examples of documentation include a certified birth certificate and certified marriage certificate.

All documents are sent to Alight Dependent Verification Center (formerly Aon Hewitt) which will verify each dependent. You will have approximately 30 days to respond so please be prepared.

PLEASE WATCH YOUR MAIL OR EMAIL FOR THE APPROPRIATE DOCUMENTS. Failure to respond and provide the requested documentation by the stated deadline will result in loss of coverage in health, dental, and vision insurance for your dependent(s).

Making Changes to Your Elections

Following your initial 30-day enrollment period for benefits, you can only change your benefit elections for health, dental, vision, and FSA plans during the state's annual Open Enrollment period or when you experience an IRS qualifying life event (see next page for list of qualifying life events).

Open Enrollment

Open Enrollment for the state's 2022-23 Benefit plan year runs May 3-17, 2022, with coverage changes effective July 1, 2022. Active teammates will make changes in the Employee Work Center (EWC). Cobra/Retirees will make changes by mail.

Qualifying Life Events

If adding coverage, the effective date of the change is the first day of the month following the qualifying event unless noted below. If you are removing coverage, the coverage will continue until the last day of the month and premiums will be collected accordingly. **No refunds or retroactive terminations will be allowed.**

Newborn Child

Under State Statute 44-710.19, all newborns born to a teammate, a spouse, or a dependent of a teammate currently on a state benefit plan will receive the first 31 days of coverage automatically and the State of Nebraska

will start collecting premiums for the newborn on the first of the month following the birth of a baby. For coverage to continue after the first 31 days, you must submit a change request through EWC within 30 calendar days of the child's birth. If a request is not submitted through the EWC within 30 days of the child's birth, coverage ends at the end of the 31 days and the child cannot be added to your health plan until the next Open Enrollment period. If you need assistance with this process, contact your HR representative or the Employee Wellness & Benefits office within the first 30 days after the child's birth.

To be in compliance with HIPAA, all adopted children, regardless of age, must be enrolled using the same process as described above for newborns (in the EWC within 30 calendar days of the placement for adoption) and coverage becomes effective on the date of placement.

Legal Divorce

In the State of Nebraska, your divorce is considered final six months after the decree is rendered and, your ex-spouse may remain an eligible dependent for medical, dental and vision coverage through the six month waiting period. However, you may elect to discontinue coverage for your ex-spouse after 30 days of the date the decree is rendered. (For example; teammate goes to court and, decree is rendered on May 15th, with the 30 day waiting period extended to June 13th. You will have until July 12th to initiate the change request. No refunds or retro terminations are allowed; coverage will terminate at the end of the month in which the request is made, after the

IMPORTANT!

You have 30 days including the date of the qualifying event to submit your request to change your coverage through the EWC. Documentation of the status change must be provided before the change will be approved.

waiting period has ended. If the request is not made by July 12th, your next opportunity will be after the six month waiting period or, November 13th.)

If losing coverage due to divorce, you may apply for coverage when the divorce is final. You must submit the divorce decree and proof of coverage ending.

Your ex-spouse is not eligible to continue coverage under the state's plan once the divorce is final; however, he or she is eligible to continue coverage under COBRA if he or she was covered immediately prior to the divorce becoming final.

Rehires

If you leave employment with the State of Nebraska, and return to a benefit-eligible position within 30 days, you will be required to enroll in the same benefit plans and tiers you had on your last day of employment. The waiting period is waived and coverage will begin first day of the month following your rehire date.

If you are rehired within 14 days, your previous benefits are reinstated with no break in coverage.

If you are rehired after 30 days, you will follow the same guidelines as a new hire. You will have to re-elect your benefit plans and coverage will begin the first day of the month following the 30 day waiting period. Long and short term disability - if you are rehired within 6 months, we apply your previous employment in an eligible class towards completing the waiting period.

Rehires are NOT eligible to participate in the state's Flexible Spending Accounts (Medical or Dependent Care) until Open Enrollment for the following Plan Year. However, if you're on a qualifying HSA health plan (Consumer Focused Health Plan) your HSA contributions may be reinstated.

For more information on any of these events or making changes to your elections, contact your agency HR representative or the State of Nebraska Wellness and Benefits team.

ABOUT YOUR BENEFITS

Qualifying Life Events:

- Change in legal marital status, including marriage, death of spouse, divorce, or legal separation.
- Change in participant's number of dependents including birth, adoption of a child, or death.
 - For birth or adoption, effective date of the change is the child's date of birth or adoption.
- Dependent child reaches age 26.
- Spouse's change in employment status results in a gain or loss of coverage.
- Teammate's change in employment status resulting in gain or loss of benefit eligibility, including an unpaid leave of absence greater than 14 calendar days.
- Teammate's change in employment status resulting in a change of benefit tiers, or an increase or decrease of 10 hours or more per week. A status change of less than 10 hours does not qualify.
- A change corresponding with a spouse's open enrollment period at his or her place of employment.
- Newly enrolled in Medicare (you have 60 days to notify the state).
- Gain or loss of coverage under a State Medicaid or CHIP program (you have 60 days to notify the state).
- **Market Place Health Care changes are not a qualified event.**

Health Insurance

Benefits are administered by UnitedHealthcare (UHC)

The State of Nebraska offers you a comprehensive health insurance program which includes both medical and pharmacy benefits. Health insurance premiums include both medical and pharmacy benefits.

You have five great plans to choose from. All health plan options are administered by UnitedHealthcare and include both in-network and out-of-network coverage. Only new participants and existing ones that make a change will receive an insurance card mailed to your home from UHC.

- Regular Plan
- Consumer Focused Health Plan (with Health Savings Account Eligibility)
- WellNebraska (with or without incentive)
- Select Direct Primary Care
- Standard Direct Primary Care

Self-Insured Health Plan

The State of Nebraska provides health insurance for its teammates through a self-funded health insurance program. In addition to deciding on the plan structure, the State pays health care claims for teammates and dependents after copays and deductibles. The State contracts with UnitedHealthcare, who processes claims and provides the network of providers.

Navigating Your Health Insurance

Difference between a Primary and a Specialty Physician

PRIMARY PHYSICIAN: A physician selected by a Covered Person to be responsible for providing or coordinating all Covered Health Services which are covered under the Plan as Network benefits. A primary physician has entered into an agreement to provide primary care health services to covered persons. His or her practice predominately includes (but may not be limited to) pediatrics, internal medicine, obstetrics/gynecology, family or general practice.

SPECIALTY PHYSICIAN: A physician who has a majority of his or her practice in areas other than general pediatrics, internal medicine, obstetrics/gynecology, family practice or general medicine.

Your Money – Your Health

You have control over how much you spend for healthcare. Here are some suggestions:

1. Save the myNurseLine phone number: 877-263-0911 It's FREE for anyone insured under a State of Nebraska health plan.
2. When you compare plans, look at both premiums and out-of-pockets costs.
3. Shop around and compare prices and quality of doctors, facilities, and pharmacies (see page 14 for ways to become an educated consumer).
4. Choose the lowest cost alternative drugs.
5. Write down your questions to ask when you go to the doctor. It's easy to feel overwhelmed and forget.
6. Schedule your annual preventive exams for medical, dental, and vision.
7. Set aside money for healthcare expenses. The Health Savings Account is a great solution for this if you are enrolled in the Consumer Focused Plan.
8. Only use the emergency room for very serious or life threatening conditions. Consider virtual visits, an urgent care center, or convenience care clinic if you cannot see your doctor.
9. Set up your www.myuhc.com account and start shopping for more ways to save money on your health!
10. Register for Virtual Visits (see page 13).

www.myuhc.com

Once your elected State of Nebraska health plan has taken effect, it's time to go to www.myuhc.com and register to take advantage of the many resources available to you and your covered family members.

What is Preventive Care?

Preventive care focuses on evaluating your current health status when you are symptom free. Preventive care allows you to obtain early diagnosis and treatment to help avoid more serious health problems. Even if you're in the best shape of your life, a serious condition with no signs or symptoms may put your health at risk. Through a preventive exam and routine health screenings, your doctor can determine your current health status and detect early warning signs of more serious problems.

Your preventive care services may include immunizations, physical exams, lab work, and x-rays. During your preventive visit, your doctor will determine what tests or health screenings are right for you based on your age, gender, overall health status, and current health condition.

Preventive or Diagnostic?

Certain services can be done for preventive or diagnostic reasons. If you are going in for preventive services, make sure your doctor's office codes them correctly as "routine."

Preventive Care is when the patient:

- Does not have symptoms or any abnormal studies indicating an abnormality.
- Has had a screening done within the recommended age and gender guidelines with the results being considered normal.
- Has had a diagnostic service with normal results, after which the physician recommends future preventive care screenings using the appropriate age and gender guidelines.
- Has a preventive service done that results in a diagnostic service being done at the same time and as an integral part of the preventive service (e.g. polyp removal during a preventive colonoscopy), subject to benefit plan provisions.

Diagnostic Care is when:

- Abnormal results on a previous preventive or diagnostic screening test requires further diagnostic testing or services.
- Abnormal test results found on a previous preventive or diagnostic service requires the same test be repeated sooner than the normal age and gender guideline recommendations would require.
- Services are ordered due to current symptom(s) that require further diagnosis.

Go to www.uhc.com/health-and-wellness/preventive-care for a list of preventive care approved procedures for your age & gender.

Understanding Insurance Terminology

Deductible	The amount you must pay before the plan begins to pay for covered services provided.
Coinsurance	The percentage of cost you pay for covered services provided after the deductible is met.
Copays	A flat dollar amount you pay each time a covered service is provided.
Annual Out-of-Pocket Maximum	The most you pay for covered services provided in a plan year. This includes your deductible, coinsurance, and medical plan copays.
Open Enrollment	A period of time you can make changes to your health, dental, vision, and FSA. The State of Nebraska offers Open Enrollment in May and changes become effective on July 1.
Flexible Spending Account (FSA)	FSA is an account you can contribute pre-tax dollars to and use for paying your health care (medical, dental, vision, or pharmacy) or dependent care (day care) expenses. Since your contributions are pre-tax, you save money by not paying taxes on these contributions. Teammates cannot contribute to a general-purpose FSA and Health Savings Account in the same plan year.
Health Savings Account (HSA)	HSA is a bank account that you own. You can use it to save money, federal income tax free, to pay for qualified medical expenses. You use the money to pay for qualified medical expenses including medical, pharmacy, dental, or vision expenses. You must be enrolled in a qualified high deductible plan like the State's Consumer Focused Health Plan to make contributions to an HSA. This money goes with you after employment ends or terminates and can even be used to pay for healthcare expenses during retirement.
Preferred Provider Organization (PPO)	PPO is a medical plan that allows for a higher level of coverage for eligible services when seeing providers who contract with the network. If you use providers outside of the network, you will pay higher out of pocket costs, be responsible for amounts that may exceed the contracted amount, and, in most cases, file your own claims.
Premiums	The money deducted from your paycheck for the benefits coverage you elected.
Qualified Medical Expense	The Internal Revenue Service (IRS) decides which expenses can be paid and reimbursed from an HSA and FSA. See IRS Publication 502 at www.irs.gov for a comprehensive listing.
Coordination of Benefits (COB)	When an individual is covered by more than one group health plan, health plans coordinate the benefits payable to ensure that the medical provider is not paid more than the allowable medical expenses. Under COB, the primary plan pays its normal plan benefits. The secondary plan pays the difference between allowable expense and amount paid by primary plan, provided this difference does not exceed the normal plan benefits.

For active teammates, the state's health plan is always primary. For retirees & dependents, UHC will send out COB notices once a year to dependents who file a claim on the state's health plan.

Specialty Centers of Excellence

Kidney Resource Services (KRS)

KRS clinical consultants are nurses who are available to help members understand their kidney disease and associated health issues. Finding the right dialysis center can be one of the most important parts of managing kidney disease. KRS can help members find one of the nation's top-performing dialysis centers so they can get the best care possible.

Transplant Resource Services

Members receive help in managing a transplant through an industry-leading transplant Centers of Excellence network and nurse consulting services.

Cancer Resource Services

Cancer Resource Services (CRS) offers information and member assistance through a team of experienced cancer nurse consultants. They are available to help individuals understand their own or a loved one's cancer diagnosis, its implications, and possible treatments. They help members make an informed decision about their care and where to receive care.

Congenital Heart Disease (CHD) Resource Services

Members can better understand and manage the symptoms associated with CHD by accessing a network of industry-leading CHD Centers of Excellence facilities and nurse consulting services.

End Stage Renal Disease

ESRD provides skilled consulting services to help members understand and manage the conditions associated with End Stage Renal Disease (ESRD) and dialysis.

Medical Insurance Cards

Start using your new card on July 1, 2022.

All medical insurance cards will be updated this year with new required information. Only members new to the plan, changing plans or changing dependents will be receiving a new ID card in the mail.

Everyone can print their own card on www.myuhc.com any time after benefits effective date.

Network Providers

Why use a network provider?

All of our health plan offerings provide benefits for both in-network and out-of-network providers. Although you can choose to visit the provider of your choice at any time, you'll generally receive a higher level of benefit when you choose providers who are part of the plan network. Network providers have agreed to provide their services at negotiated, discounted rates, which save you and the state money.

Premium Care Providers are designated with two hearts (one for high quality care and second for cost efficiency) in the provider directory located at www.uhc.com.

Call UHC before your procedure

Contact UnitedHealthcare to confirm treatment has been authorized any time your doctor recommends you for follow-up treatment including inpatient and outpatient hospitalizations, advanced radiology, such as MRI's and CAT scans, and rehabilitation services, such as physical therapy. Please see Summary Plan Document for details.

Why is UnitedHealthcare calling you or sending you mail?

UHC may contact you by phone or mail for a variety of reasons. Here are a few:

- A Care Coordinator may call to help you with follow-up care instructions, medication, and durable medical equipment.*
- Healthy Pregnancy nurses may call to offer educational services and resources.
- A maternity nurse for high-risk maternity case management.
- The mail order pharmacy may contact you about your prescription orders.
- The subrogation division may request additional information about accident-related claims.
- The claims team may request information about other coverage for your dependents.

Failure to respond may affect claims processing or your opportunity to save money on future health care costs. Therefore, it is important for you to pick up the phone or open the mail and respond to their requests and support efforts.

*A nurse may call you regarding specialty care or diabetes disease management and new programs.

Virtual Visits

A virtual visit lets you see and talk to a doctor from your mobile device or computer without an appointment. Most visits take about 10-15 minutes and doctors can write a prescription, if needed, that you can pick up at your local pharmacy. And it's part of your health benefits!

Access virtual visits

1. Log in to www.myuhc.com or the UHC App and click on Virtual Visits.
2. Choose a provider group and click through to their website. Once you make that choice, you leave www.myuhc.com and go directly to their selected provider group's page. (Please note: Optum Virtual care and Teledoc are accessible directly from myuhc.com landing page. AmWell and DOD are accessible via each respective app or website.)
3. *Register* - Each virtual visit provider group will require you to register – similar to “in-person” visits to a brick-and-mortar clinic. Registration typically includes providing the name of the patient, health insurance, pharmacy, and other general health information. You are required to pay at time of service. (WellNebraska and Regular Plan cover virtual visits at 100%)
4. *Request a Visit* - Once registered, you will request a visit and move into a virtual waiting room.
5. *Connect to Physician* - During your visit, you will be asked to describe your symptoms and health concerns.
6. *Diagnosis and Prescription* - The treating physician will provide a diagnosis and likely ask about your primary care physician so any notes can be shared. The virtual visit physician will then create an integrated medical record with full documentation. You can access this record once the visit is complete so you can email it or print and bring it to your primary care physician. If required, the virtual visit doctor can write a prescription that is sent electronically to your chosen pharmacy, where you can pick it up.

Optum Virtual Visits Benefits

WellNebraska Plan	Regular Health Plan	Consumer Focused Health Plan
\$0 copay Plan pays 100%	\$0 copay Plan pays 100%	20% after deductible

You will be required to pay with a credit card at the time of the visit. You may use your FSA or HSA account card.

Conditions commonly treated in a virtual visit:

Doctors can diagnose and treat a wide range of non-emergency medical conditions, including:

- Seasonal Flu
- Sore Throat
- Sinus Problems
- Bladder Infection
- Fever
- Pink Eye

Consumer Focused Health Plan

Consumer Focused Health Plan administered by UnitedHealthcare (UHC)
HSA Provided by Optum Bank

The State of Nebraska is committed to providing our teammates, retirees, and their families with access to comprehensive and competitive health benefits. We want to make sure the plans we offer continue to give you the flexibility to manage your specific medical needs, improve your overall health, and help control your costs.

Why choose the Consumer Focused Health Plan and HSA?

Lower premiums

With the Consumer Focused Health Plan, you pay a lower premium, which leaves you with more money in your bank account each month. You can use these savings to make deposits into your HSA.

Annual deductible

When you receive medical care or need a prescription, you pay out of pocket for those expenses until you reach your deductible. For 2022-23, the in network deductible is \$2,800 per individual and \$5,200 max per family. After you reach the deductible, you pay 20% coinsurance until you reach your annual out-of-pocket maximum.

Preventive Drug Listing

The Consumer Focused Health Plan offers you low copays for a specific list of preventive maintenance medication. Medications on this list are not subject to deductible or coinsurance. The types of drugs include high blood pressure, high cholesterol, diabetic, asthma, multiple sclerosis, and osteoporosis. Not all drugs in these therapeutic classes are included on this list.

How it works

- **Covers the same types of medical expenses as our other medical plans.** Once you pay the deductible, you're only responsible for 20% of your expenses – the plan will cover the other 80%. The amount you pay applies to your out-of-pocket maximum.
- **Lets you keep your current doctor.** If you have a preferred doctor, you can continue to use that doctor or choose a doctor that is in the network to save more on the cost of care.
- **Protects you if you get sick.** If you happen to need significant medical care, you're protected by an out-of-pocket maximum. It limits the amount of money you pay before the plan covers 100% of your claims. For 2022-23, the most you'll pay in a year is \$4,100 for in network individual coverage and \$8,200 for family coverage.
- **Helps you save!** You have the option of opening a Health Savings Account if you are eligible. You can make tax-free contributions to your HSA through an automatic payroll deduction – and save for the future. The money in your HSA is always yours to keep, even if you leave your job with the State of Nebraska.

Preventive Care

Under the Consumer Focused Health Plan, you don't pay anything for eligible preventive care – it's covered at 100% with no deductible, as long as you use a network doctor.

Wellness: The WellNebraska Health Plan

Wellness programming provided by UnitedHealthcare and Rally

The WellNebraska Health Plan is a plan option open to State teammates. Like our other plan options (the Regular Plan and the Consumer Focused Plan), the WellNebraska Health Plan offers comprehensive medical and pharmacy coverage at competitive rates.

Eligibility & Participation

Any teammate is eligible to enroll in the WellNebraska Health Plan. Teammates and spouses (if applicable) who choose this option will benefit from reduced premiums and lower out-of-pocket costs for certain benefits. New hires eligible for benefits as of April 1, 2022 - June 30, 2023 have no qualification requirements.

If you and your spouse (if applicable) qualified for the wellness incentives for the 2022-23 health plan year by:

- Completing the online Rally Health Survey through www.myuhc.com by March 31, 2022.

Then you must select the WellNebraska Health Plan to receive your wellness incentives. When a qualifying teammate selects this plan, he or she will see the following premium amounts populate on the right-hand side of the health insurance area of the Open Enrollment form, confirming his or her eligibility.

If you select the new WellNebraska Health Plan and see higher premium rates populated on the right-hand side of your Open Enrollment form, this indicates that you did not attempt and/or meet all requirements in order to be eligible for the wellness incentives. Rest assured, however, that you will still receive access to the same coverage as other teammates enrolled in the WellNebraska Health Plan. You will not, be eligible for lower copays, deductibles, and premiums.

If you believe you should qualify for the wellness incentives but are not seeing the premiums referenced to the right, you **MUST** complete your Open Enrollment session, print a confirmation report, and contact the

State Employee Wellness and Benefits office at 402-471-4443 or 877-721-2228 to speak with a Wellness and Benefits representative.

Wellness Incentives

Employee Only	\$69.64 bi-weekly or \$139.28 monthly
Employee & Spouse	\$184.55 bi-weekly or \$369.10 monthly
Employee & Children	\$142.76 bi-weekly or \$285.52 monthly
Family	\$247.22 bi-weekly or \$494.44 monthly

Advantages

- Plan with lowest deductible and annual out-of-pocket maximums
- First \$500 of all non-preventative lab and pathology work is covered (preventative lab and pathology already covered under the WellNebraska plan)
- Routine and follow-up mammograms covered at 100%
- Routine and follow-up colonoscopies covered at 100%
- Cholesterol, hypertension, asthma, COPD, and diabetic medications at a reduced copay or no cost
- Enhanced maternity benefits
- In-network medically necessary outpatient maternity related services will be paid at 100% of eligible expenses
- In-network inpatient medically necessary hospital charges that are maternity related services will have a \$500 copay and then be paid at 100% of eligible charges. In-network inpatient well baby nursery eligible charges will also be paid at 100%

Real Appeal

Your UnitedHealthcare medical plan will continue to offer Real Appeal. Real Appeal is an online weight loss and healthy lifestyle program based on the science of what really works to help people lose weight and keep it off. It is available at no cost to all eligible State of Nebraska teammates and their family members age 18 and older who are enrolled in State of Nebraska medical

coverage through UnitedHealthcare.

Real Appeal helps you lose weight and reduce your risk of developing certain diseases like diabetes and cardiovascular disease as it's based on decades of proven clinical research. Most members lose an average of 10 pounds after completing only four sessions of the program. Enrollment in the program includes:

- 52 weeks of access to a Transformation Coach. Your coach guides you through the program and develops a simple, customized plan that fits your needs, preferences and goals.
- 24/7 access to digital tools and dashboards that help you track your food, activity, and weight.
- A success kit full of healthy weight management tools including fitness guides, recipe book (including quick family meal ideas and fast-food eating tips), weight scale, and more.
- Support from weekly online group classes to learn healthy ideas from your coach and other members who share what's helped them achieve success.

Real Appeal is a fun and engaging program that helps you learn simple steps for a healthier life so you can spark your transformation. Learn more and enroll today at: nebraska.realappeal.com.

Health Savings Account (HSA)

HSA Provided by Optum Bank

You can use the money you save in your HSA to pay for qualified medical, dental, and vision expenses, such as doctor visits, prescriptions, and hospital visits, or you can save the money for future healthcare needs – even into retirement. The way you use your HSA will depend on your health care needs and your savings goals. Spend or save. The choice is yours.

Benefits of an HSA

- **You own the HSA.** Any money you deposit into your HSA is yours to keep, even if you change medical plans or leave your job.
- **There is no “use it or lose it” rule.** Your HSA balance carries over from year to year, letting you save for future healthcare expenses that may occur well into retirement.
- **You can grow your money.** The money you contribute to your HSA grows with interest, and once your balance reaches a certain level, you can choose to invest some of your savings in mutual funds to help your money grow further and work harder for you.
- **You get triple tax savings.** The money you contribute to your HSA is tax-free. You don't pay taxes on your contributions or the interest your account earns, as long as you use them for eligible medical expenses.

Like all good things, there's a limit on the amount that you can contribute to your HSA. Currently, the IRS limits the amount you can save during the benefit plan year depending on whether or not you carry dependent coverage. You'll need to make sure your contributions don't put you over the annual maximum.

The 2022 maximum limits are:

- \$3,650 for individual coverage
- \$7,300 for family coverage
- If you're age 55 or older, you can contribute an additional \$1,000 to your HSA during the plan year

How does the HSA work?

If you enroll in the Consumer Focused Health Plan, you will authorize set up of your Optum Bank account and elect your pre-tax payroll contributions through the Employee Work Center. You'll receive additional information from Optum Bank about your account including online banking options to help manage your HSA.

There is a monthly bank fee of \$1.00 until the balance reaches \$500.00. Then the fee is removed.

Can You Open an HSA?

Because you don't pay taxes on HSA contributions, interest, or earnings on investments, you have to meet certain requirements to open an HSA:

- You are covered under the Consumer Focused Health Plan
- You are not covered by any other health plan, such as a spouse's non-HSA plan, or a general-purpose FSA Healthcare plan
- You are not enrolled in Medicare or TRICARE
- You have not received Veterans Administration (VA) benefits within the past three months
- You are not claimed as a dependent on another person's tax return

With the money you save in your HSA, you can:

- Use your Optum Bank HSA Debit MasterCard® to pay for qualified health care expenses at your pharmacy, doctor's office, or other healthcare provider.
- Reimburse yourself for qualified healthcare expenses from your HSA.
- Pay bills for qualified expenses online at no charge, or pay with checks linked to your HSA, if you choose to purchase them.
- Save for future healthcare expenses.

How is it different from an FSA Healthcare account?

- It's a bank account owned by you. It goes with you even if you change jobs or health plans.
- Like a bank account, you can only use the money you have deposited in the account.
- Higher annual contributions limits.
- Your account balance earns interest.
- You can invest your balance in mutual funds once it reaches the investment threshold.
- Anyone can deposit money in your account.
- You can use it now or save it for the future.

Flexible Spending Accounts (FSA)

Benefits are offered through ASIFlex

Flexible Spending Accounts (FSA) offer you a way to save money on your health care and/or dependent care (daycare) expenses. The money you deposit into the spending accounts is deducted pre-tax from your paycheck in equal amounts 24 times throughout the year (12 times for monthly payroll). Most people save at least 25% on each dollar that is set aside through the FSA program. The State of Nebraska offers you two flexible spending accounts: the Health Care FSA and the Dependent Care FSA. You must enroll each year to participate in the flexible spending accounts.

Important Facts about FSAs

- You can participate in the Health Care FSA, the Dependent Care FSA, or both.
- You can only enroll during your first 30 days of eligible employment or during Open Enrollment.
- You cannot enroll or change your FSA election mid-year unless you experience a qualifying life event.
- You must re-elect your FSA contribution every year during Open Enrollment.
- Estimate your expenses carefully – any money left in your account after the end of the plan year will be forfeited.
- Money cannot be transferred from a Health Care FSA to the Dependent Care (Daycare) FSA and vice versa.
- ASIFlex will send all enrollees for the 7/1/2021 plan year a confirmation of your election.
- You cannot contribute to general purpose Healthcare FSA and an HSA during the same plan year.
- To learn more about FSAs and eligible expenses, go to ASIFlex website at www.ASIFlex.com or visit das.nebraska.gov/personnel/wellness/index.html.

Save Money with an FSA

Here's how you can save money when you use an FSA. As you can see, a teammate who earns \$30,000 annually and uses the plan to cover \$1,500 in eligible expenses would save \$415 by using the FSA plan.

Let's assume...	With FSA	Without FSA
Annual Base Pay	\$30,000	\$30,000
Total Annual Contribution	\$1,500	\$0
Taxable Income	\$28,500	\$30,000
Federal Income Tax (20%)	\$5,700	\$6,000
Social Security(FICA) Tax (7.65%)	\$2,180	\$2,295
Total Tax	\$7,880	\$8,295
After-tax Eligible FSA Expenses	\$0	\$1,500
Take Home Pay	\$20,620	\$20,205
Annual Tax Savings	\$415	\$0

Dependent Care FSA

The Dependent Care FSA allows you to use tax-free money to pay for dependent care expenses that enable you to work. This includes eligible day care, before- and after-school expenses for a child under age 13, or an older dependent who lives with you at least 8 hours per day and requires someone to assist with day-to-day living.

How it works:

- IRS maximum annual contribution is \$5,000 per household for the calendar year.
- Your minimum annual contribution is \$72
- You can use your dependent care FSA for eligible expenses incurred from July 1, 2022, to June 30, 2023.
- You have until **October 31, 2023**, to file a claim for reimbursement. **Any balance left in your account after October 31, 2023, will be forfeited.**
- You are only reimbursed up to the amount you have contributed at the time your claim is processed.
- Amounts requested above your account balance will automatically be reimbursed as subsequent contributions from your paycheck become available.

Eligible Dependent Care Expenses include day care, babysitting, and general purpose day camps.

Ineligible Dependent Care Expenses include overnight camps, care provided by your spouse or your child under the age of 19, and care provided while you are not at work.

Dependent Care FSA vs. Dependent Care Tax Credit

The money you contribute to the Dependent Care FSA reduces the amount of dependent care expenses you can claim on your federal income tax. You may want to talk with a tax professional to determine if the Dependent Care FSA or the federal tax credit provides you with the greatest savings.

****During Open Enrollment, please double check you are selecting the correct FSA.***

Health Care FSA

The Health Care FSA reimburses you for eligible out-of-pocket health care expenses not covered by any health, dental or vision care plan you may have.

How it works:

- Your maximum annual contribution is \$2,850 for the plan year.
- Your minimum annual contribution is \$120.00.
- New enrollees will receive a set of two debit cards. If you do not want the card(s), contact ASIFlex to cancel.
- Claims must be incurred between July 1, 2022, and June 30, 2023.
- You have until **October 31, 2023**, to file a claim for reimbursement. **Any balance left in your account after October 31, 2023, will be forfeited.**

NOTE: SAVE YOUR ITEMIZED RECEIPTS from your FSA, Health insurance plan Explanation of Benefits (EOB) statements and debit card transactions.

Eligible Health Care Expenses:

Go to www.ASIFlex.com and click on the Resources Tab and select "FSA Store" and/or "Eligible Expenses" to learn more.

- Deductibles, copays and coinsurance for medical care, prescriptions, dental, vision or hearing care.
- Dental expenses including exams, fillings, crowns, bridges, implants, dentures and cleansers/adhesives, orthodontics, etc.
- Vision expenses including exams, prescription eyeglasses/sunglasses, reading glasses, contact lenses and cleaners, laser eye surgery, etc.
- Over-the-counter health care products (no prescription required) including allergy medicines, cough and flu remedies, pain relievers, menstrual care products, bandages, baby monitors, breast pumps, blood pressure monitors, sunscreen/lip balm 15+ SPF and broad spectrum, thermometers, etc.
- Mileage you incur while traveling to obtain health care. Reimbursement is available up to the IRS standard mileage rate. See asiflex.com News for the up-to-date limits.

Ineligible Health Care Expenses:

See website for detailed listing.

Examples of expenses not reimbursable under the Health Care FSA:

- Insurance premiums
- Cosmetic procedures (e.g. face lifts, teeth whitening, veneers, etc.)
- Clip-on or nonprescription sunglasses
- Toiletries
- Long-term care expenses
- Drugs, herbs, or vitamins for general health and not used to treat a medical condition

Medical, Dental, & Vision Premiums

The monthly premiums for your medical, dental, and vision plans for July 1, 2022, through June 30, 2023, are shown below. The state contributes 79% of the total cost of your health care benefits for full-time teammates. Premiums are deducted from your paycheck pre-tax, meaning you do not pay taxes on them as they are deducted from your pay before taxes are withheld.

It is your responsibility to review your pay stub to ensure that the proper deductions are taken. You are responsible for the cost of the proper teammate share of your elected benefits. A payroll error does not absolve you of responsibility for payment of the proper share of the cost.

Direct Primary Care (DPC)

Direct Primary Care Pilot Program Provided through Strada Healthcare

Currently available in the following locations: Bellevue, Council Bluffs (IA), Grand Island, Gretna, Kearney, Lincoln, Mitchell, Norfolk, North Platte, Omaha, and Papillion. Please visit the Benefit's webpage for the most current locations and updated information.

What is Direct Primary Care (DPC)?

DPC is membership-based healthcare offered through Strada Healthcare in conjunction with the Standard Plan or Select Plan (High Deductible plans) through United Healthcare. With this plan, members get unlimited access to their Strada healthcare providers by office, phone, or text as needed with no co-pay. Strada gives their members accessible primary care that focuses on prevention and health management. Strada providers reserve their time for DPC members to create personalized health plans. They have time to build relationships with the mutual goal of good health. Personalized care along with better access means happier and healthier patients.

Members who enroll for Standard DPC Plan and Select DPC Plans do not meet the IRS requirements for HSA accounts, therefore, they are not eligible to make contributions to an HSA account. DPC is not health insurance.

- Women's health (excluding labs and mammograms)
- Well checks for infants and children (excluding immunizations)
- Chronic disease management
- Weight management and health risk assessment
- Work, school, and sport physicals
- Basic mental health
- Stress management

Cash Pricing

DPC members also have access to discounted cash prices for medical services such as labs, imaging, physical therapy, and chiropractic care. The list of providers and services can be viewed on the Strada website at www.stradahealthcare.com/Nebraska under About Us, Cash-Priced Partners.

Why Direct Primary Care?

Access and Communication

Members have unlimited access to their Strada healthcare team through a secure smartphone app called Spruce. Members can text symptoms, schedule appointments, send a picture, or video-chat with a provider who is only a few taps away. This helps you get the care you need when you need it because of this access Urgent Care and ER visits may not be necessary.

Covered Services

The following medical services are included in a DPC membership:

- Annual physicals and annual lab work
- Preventative appointments and follow-ups
- EKGs
- Repair of simple cuts and abrasions
- Treatment of sprains

LEGAL NOTICE: Employees who are eligible for or enrolled in a government healthcare program, including but not limited to Medicare, Medicaid, TRI-CARE/CHAMPUS, the Veterans' Administration, and Indian Health Service are not eligible for Direct Primary Care Services.

How does DPC impact me?

See below for a few possible scenarios:

I have 3 small children. How does DPC help me and my family?

Let's say your 6-year-old wakes up with a swollen, itchy, red eye. You know that another child in daycare stayed home last week with pink eye. With DPC, you can use the Spruce app on your phone to take a picture of your child's eye and send it to your Strada provider. You can text back and forth to determine the right treatment, which may include a prescription. All without having to miss work and go to the doctor's office.

I am a 45-year-old woman. Do I have to see a different provider for my annual preventive gynecological exam?

You have options with DPC. (1) You can continue to see your gynecologist for annual preventive screening exams because preventive care is covered at 100% by your Standard or Select health plan. (2) Or, you can see your Strada provider who can perform your annual exam. The annual exam is included in your DPC membership, but you will be responsible for the labs associated with the exam. The labs are typically under \$50.

What happens if I am traveling and I get sick? My Strada provider is in Nebraska.

If your illness isn't an emergency, contact your Strada provider through your Spruce app. Your Strada provider may be able to diagnose your condition and recommend treatment over the phone.

I take several medications. How is that handled through DPC?

Your Strada provider will help you find medications at the lowest cost. Medications may be less expensive if you pay cash for them. You can also continue to access medications through your health plan.

FAQs

Q. What if I discover the DPC is not a good fit for me and my family?

A. You may opt out of DPC upon request to your Employee Wellness & Benefit Team. However you will continue coverage with your current High Deductible Plan.

Q. I have insurance. How is DPC going to save me money?

A. DPC is great for all your day-to-day care as well as for minor injuries like small cuts or broken fingers. We know that emergencies arise, so it is helpful to have insurance for all of those larger, unexpected events like broken legs, surgeries or overnight stays in the hospital.

Q. Are there co-pays when I see my Strada provider?

A. There is never a co-pay when members see their Strada provider.

Q. Can I really come to the clinic as often as I want?

A. Yes. Come in to the clinic, call, or text as needed.

Q. What services are not covered?

A. Lab work done after the first visit is not covered, however, it is priced at a very reasonable rate. Medications and diagnostic imaging are also not covered; however, they are available at negotiated prices listed on our website. Specialist, and Hospital care is not included in a DPC Membership. You can access your health plan for this coverage.

Q. What if I need to see a specialist?

A. Strada providers specialize in family practice and can care for a wide variety of health issues for the whole family. For more complex issues, our Strada provider may refer to a specialist. You can access your health plan for this coverage.

Pharmacy Benefits

Benefits are administered by OptumRx (affiliate of UnitedHealthcare)

When you enroll in a State of Nebraska health plan, you will also be enrolled in the State of Nebraska pharmacy program. UnitedHealthcare (UHC) will send you an identification card which will be used for both medical and pharmacy claims. You will want to carry your UHC card with you at all times. Additional cards can be ordered through www.myuhc.com or by calling UHC at 877-263-0911.

The pharmacy program offers flexibility and choice in finding the right medication for you. Medications are placed on different “tiers” based on their overall value.

- Tier 1 – Your lowest cost option
- Tier 2 – Your midrange cost option
- Tier 3 – Your highest cost option

To learn more about the tiers, covered drugs, and list of network pharmacies, go to the Prescription Plan page at das.nebraska.gov/personnel/wellness/index.html or the Pharmacy page on www.myuhc.com.

Smoking Cessation Products

Select over-the-counter and prescription tobacco cessation products will be covered at \$0 cost-share for eligible members

Prescription Drug List

The pharmacy program offers flexibility and choice in finding the right medication for you. The Advantage PDL promotes medications with the greatest overall healthcare value, regardless of brand or generic status, while offering affordable choices. This aligns the cost share level with the overall healthcare value of the medication and makes the highest-value medications more affordable. Drugs can be placed in any tier based on their overall healthcare value. **Drugs may be moved between tiers (up/down or added/excluded) on January 1 and July 1.** To learn more about the tiers, covered drugs, and a list of network pharmacies, go to the Prescription Plan page on the Employee Wellness & Benefits web page at das.nebraska.gov/personnel/wellness/index.html.

on all health plans. To qualify, members must:

- Be age 18 or older
- Have a prescription for the products from their physician, even for products that are available over the counter
- Fill the prescription at a network pharmacy

Products available will include nicotine replacement gum, lozenges, patches, and generic Zyban. For a complete listing, please refer to the Pharmacy Drug List “PDL” on the Employee Wellness and Benefits web site.

Get registered at myuhc.com

Upon enrolling in a State of Nebraska health plan, you will receive a welcome kit from UnitedHealthcare. Go online at www.myuhc.com and register. Once you register, click on “Pharmacies and Prescriptions” and you will be able to:

1. View the most current prescription drug list (also referred to as a formulary).
2. Locate a network pharmacy.
3. Compare drug prices and lower cost options.
4. Find your cost before you go to the pharmacy.
5. Refill and track your mail order prescriptions.
6. View medication limits including quantity limits, prior authorization, and step therapy.
7. View drugs not covered under your plan.

Diabetic Supplies

Diabetic supplies covered under the prescription drug benefit include syringes, needles, lancets, blood monitor kits, test strips, blood glucose calibration solutions, urine tests, and blood test strips. **Continuous blood glucose monitors and insulin pumps are covered under the medical benefit as Durable Medical Equipment (sensors are covered under both, Medical and Rx).** If you have any questions, call customer service at 877-263-0911.

Pay the Difference

If a **lower cost** generic equivalent is available and you choose brand name drug, you will pay the difference in cost between the generic cost and brand name cost, in addition to the appropriate copay. This penalty does not apply if physician does not allow substitution.

WellNebraska and Regular Health Plans Pharmacy Out-Of-Pocket Maximums

The pharmacy out-of-pocket maximum limits are in addition to the medical out-of-pocket maximums on page 24-25. Once the out-of-pocket maximum has been met for pharmacy co-pays, all prescriptions covered under the plan will be paid 100% by the plan.

Consumer Focused Health Plan

1. If your medication is on the UHC Preventive Drug List, you pay the copay. Your copay will apply towards your annual out-of-pocket maximum. After your limit is met, the plan pays 100% of your costs. For more details, go to das.nebraska.gov/personnel/wellness/index.html.
2. For all other covered prescriptions, the full cost of the prescription is applied towards your deductible. Once you meet your deductible, then you pay 20% coinsurance until your annual out-of-pocket limit is met. Then all costs are paid 100% by the plan.

Specialty Pharmacy Program

Optum Specialty Pharmacy

Certain prescriptions on our prescription drug listing require that you use the Optum Specialty Pharmacy to fill your prescriptions. Specialty pharmacies have experience in storing, handling, and distributing these unique medications and typically provide a higher level of customized care for specialty medications than traditional retail pharmacies. Specialty pharmacists and nurses also have additional clinical expertise surrounding these medications and complex diseases.

What is a specialty medication?

An injectable, oral, or inhaled medication is most often considered specialty medication if it:

- Is used to treat a chronic or complex condition
- Requires extra, on-going clinical oversight and additional education for best management
- Has unique storage or shipping requirements
- Is not typically available at retail pharmacies

Contact the Optum Specialty Pharmacy at 855-242-2241 and speak with a Patient Care Coordinator to help set up your account, order refills, and answer questions about your prescription.

Mail Order – Save money & time!

For medications you take on a regular basis, you can fill a 90-day supply through the OptumRx™ Mail Service Pharmacy. Mail order offers the convenience of home delivery and saves you money. You will also be able to get a 90 day prescription from your local pharmacy.

To start using mail order:

Tell your physician you would like to start mail service.

Once you and your physician are confident you will continue taking a medication on an ongoing basis, have your physician write a prescription for a 90-day supply, plus up to three refills. Prescriptions with more than three refills will not be processed as it will exceed a one-year maximum supply as required by law.

-OR-

Contact OptumRx™ at 800-562-6223, 24 hours a day, seven days a week, and have your prescription label available when you call. You can mail the order form - include with the original prescription(s). Write the member ID and date of birth on each prescription and mail with completed order form. Please fill out one order form per member. You can download an order form from das.nebraska.gov/personnel/wellness/index.html.

Your Prescription Medication Options

Your PDL is a list of commonly prescribed medications and their cost levels or tiers, which define the amount you pay for each medication under your benefit. Tier placements on the PDL are reviewed and may change throughout the year. For a current list of your PDL, contact OptumRx at 877-263-0911 or visit www.myuhc.com.

Dental Benefits

Benefits are provided by Ameritas

All teammates selecting dental coverage will receive new cards prior to July 1, 2022.

The State of Nebraska offers dental insurance to all full-time and part-time teammates. All of the premiums are paid by the teammate and collected through pre-tax payroll deductions. For new plan participants, dental ID cards will be mailed to your home.

NOTE: Orthodontia and TMJ procedures are excluded from Dental Rewards as they have their own maximum benefit.

Our dental program promotes routine dental care as part of our wellness culture for you and your family. Whether or not you elect health coverage, you can choose dental coverage for yourself and your eligible dependents. The dental plan is a participating provider organization (PPO) with a network of participating providers. You have the option of selecting dental care in- or out-of-network each time you receive dental care, but the plan pays the greatest benefit for care received from a provider in the Ameritas network.

Dental Rewards®

Dental Rewards® is a program offered by Ameritas and encourages good dental habits through regular dental check-ups. It is available to all family members who participate on the dental plan. If you file at least one dental claim during the plan year and total benefits paid are less than \$500, your annual maximum for the following year will be increased by \$250 (\$350 if using a network dentist). This continues until you reach a total reward of \$1,000. The Dental Rewards amount is available to use in future years in addition to your annual maximum. It can only be reduced if you have claims totaling more than \$1,000 or if you fail to submit at least one claim during any given year.

Penalty for Late Entrants

A late entrant is any participant on the plan who does not elect coverage during your initial 30 days of eligibility or any participant who re-enrolls in the dental plan after dropping coverage. It applies to both you and your dependents.

As late entrants, your benefits will be limited to only preventive procedures for the first 12 months that you are covered. After 12 months, you will have access to all of the plan's benefits.

Type 1 - Preventive Procedures

Exam & cleanings (2 per year - does not have to be at exactly 6 month intervals), x-rays, sealants.

Type 2 - Basic Procedures

Fillings, root canals, gum disease treatment, extractions.

Type 3 - Major Procedures

Initial and replacement crowns, dentures, bridges.

**Premium Plan ONLY

**Premium Plan ONLY - Type 1 and 2 procedures for out-of-network providers will be reimbursed on an incentive basis that progressively increases each plan year. New plan members begin at 50% coinsurance. As long as plan members visit the dentist and have at least one covered procedure performed each plan year, they advance one coinsurance level the following plan year until they reach 70%. If a plan member fails to have at least one dental procedure performed during any benefit year, he or she will revert back to the beginning coinsurance level to begin advancing through the levels.

Short-Term Disability Benefits

Benefits are offered through UnitedHealthcare

How the plan works.

The Short-term Disability plan will pay you 60% of your paycheck each week if you have a qualifying disability on the 1st day of injury or the 8th day of a sickness and you are unable to perform your job duties for up to a maximum of 26 weeks.

This means you will have a weekly income to help you and your family pay

for expenses like your mortgage or rent, medical bills, food and more.

You can even work part-time.

Being productive feels good. That's why the plan also allows you to work part-time and still receive benefit payments. We understand that you may have to work your way back up to earning 100 percent of your income, which is the goal.

Disability specialists can help you return to work.

The plan includes personal support from disability specialists who will work with you and your employer to help you return to work more quickly so you can get back to work safely and back to earning your full wage. Due to the complex nature of disability claims, it is not possible to provide answers to questions related to hypothetical claims.

Why UnitedHealthcare Short-term Disability?

- Income protection with weekly payments
- Personal claim support to help you through the process
- Disability specialists to help you get back to work safely

Pre-existing Conditions Exclusion

UnitedHealthcare will not cover any disability that begins during the first 12 months after the covered person's effective date of insurance that is caused or contributed to by a pre-existing condition.

Pre-existing condition means: any Sickness or Injury including Mental Illness, Substance Abuse or Subjective Symptoms for which the Covered Person, within 3 months prior to his Effective Date of insurance:

- was diagnosed by or received Treatment from a legally qualified Physician; or
- had symptoms for which an ordinarily prudent person would have sought Treatment.

If you enroll when you first become eligible, you don't need to provide evidence of insurability, which requires you to complete a form to prove your physical condition.

UnitedHealthcare Disability products are provided by UnitedHealthcare Insurance Company. The policies have exclusions, limitations, reductions of benefits, and terms under which the policy may be continued in force or discontinued. For costs and complete details of the coverage, see your Certificate of Coverage or contact your employer. UnitedHealthcare Insurance Company is located in Hartford, CT.

Long-Term Disability Benefits

Benefits are offered through UnitedHealthcare

Almost half of American adults indicate they can't pay an unexpected \$400 bill without having to take out a loan or sell something to do so.

Help secure a monthly income if an illness or injury keeps you out of work for a long period of time.

Don't let an off-the-job accident or an illness leave you in a financial bind if you are unable to work for months.

An injury or long illness can create more than just financial and emotional stress. That's why a UnitedHealthcare Long-term Disability plan is designed to do two important things:

1. Give you long-term financial support.
2. Help reduce stress and health issues that can prolong being out of work.

How the plan works.

The Long-term Disability plan will pay you 60% of your paycheck each month if you have a qualifying long-term disability where you are unable to perform your job duties for 180 days or longer.

A steady monthly income not only helps you and your family cover expenses, it may help reduce stress that comes with being out of work for a long period.

You can even work part-time.

Being productive feels good. That's why the plan also allows you to work part-time and still receive benefit payments. We understand that you may have to work your way back up to earning 100 percent of your income, which is the goal.

Your well-being is what matters most.

The plan includes resources and benefits designed to support you along the way and at no extra cost:

- 24/7 Employee Assistance Program (EAP)
- Return-to-work preparation
- Workplace modification benefit

Life and AD&D Insurance Benefits

Benefits are provided by The Hartford

The State of Nebraska offers both life and accidental death and dismemberment (AD&D) insurance coverage to teammates. Newly hired teammates may elect any supplemental coverage amount within the first 30 days of employment without having to provide evidence of insurability.

Basic Life Insurance

The state provides eligible full-time teammates with a basic life insurance benefit of \$20,000 at no cost. Part-time teammates, at or greater than 20 hours per week, are eligible for the \$20,000 insurance benefit and pay 50% of the monthly rate. The part-time rate is \$0.48 per month.

Supplemental Life Insurance – Dependent

You may also purchase optional life insurance for your spouse and dependent child(ren) up to age 26. There are two dependent life options to choose from and both include coverage for spouse and your child(ren) but vary by spouse's age.

*You must be enrolled in Basic Life to elect Supplemental Life Insurance

NOTE: If both husband and wife are employed by the state, only one may cover the children on the state's supplemental dependent life coverage. Also, they cannot elect dependent life coverage on each other.

Accelerated Death Benefit

The voluntary group life insurance plan offers an "Accelerated Death Benefit" that allows you to receive a partial life insurance benefit if you are:

- Diagnosed with a terminal illness and not expected to survive more than 24 months; or

The Amount of Accelerated Death Benefit

You can request up to the Accelerated Death Benefit percentage or 80% of the life insurance that is currently in effect however not:

- Less than \$3,000 or
- More than \$500,000

Requesting an Accelerated Death Benefit

To request the Accelerated Death Benefit, you must complete and submit a request form to The Hartford. The request form must include:

- A statement of the amount requested; and
- A physician's statement verifying that you are suffering from a non-correctable terminal illness or are suffering from one of the listed medical conditions that is expected to result in a drastically limited life span. The statement must also provide the following information:
 - All medical test results;
 - Laboratory reports; and
 - All supporting documentation and information on which the physician's statement is based.

Your human resource partner will be able to assist with the completion/submission of the "Accelerated Death Benefit" claim form.

Dependent Supplemental Life Insurance Monthly Rates

	Option 1 (Low) Spouse &/or Child(ren) \$5,000 Policy	Option 2 (High) Spouse &/or Child(ren) \$10,000 Policy
If Spouse under age 70	\$1.54	\$3.00
If Spouse 70 or older	\$4.10	\$8.22

Accidental Death & Dismemberment Insurance (AD&D) – Teammate Only

AD&D insurance pays benefits if you die or suffer certain serious injuries as a result of an accident. The AD&D benefit is paid based upon the type of loss you suffer.

AD&D Information

Rate	\$0.10/month
Coverage	Up to \$7,500

* Dependent coverage is not available.

*You must be enrolled in Basic Life to elect AD&D Life Insurance

Supplemental Employee Life Insurance

You may elect to purchase additional life insurance coverage for yourself. Coverage can be purchased in increments of 0.5, 1, 1.5, 2, 3, 4, or 5 times your annual salary. Amounts will be rounded to the next highest \$1,000. Teammates pay the entire cost for supplemental life insurance through a payroll deduction. **Employee supplemental life rates are based on your age and salary as of July 1 of each year.**

During Open Enrollment, teammates currently enrolled in Supplemental Life may increase one increment of coverage without approval by the carrier. Any increases outside of the Open Enrollment period, or any increases greater than one increment, will require evidence of insurability and approval by the carrier.

Supplemental Life Coverage - Monthly Rates	
Age	Rate/\$1,000
Under 25	\$0.020
25-29	\$0.020
30-34	\$0.026
35-39	\$0.039
40-44	\$0.058
45-49	\$0.084
50-54	\$0.142
55-59	\$0.305
60-64	\$0.583
65-69	\$0.952
70-74	\$1.295
75-79	\$2.060
80 and over	\$2.060

Calculating Life Insurance Monthly Cost

Your cost for coverage is based on the increment you choose, your age, and your salary. Follow the simple steps below to determine your exact monthly cost.

1. Enter your annual basic gross pay (not including overtime): \$ _____
2. Multiply by the increment you elected (0.5, 1, 1.5, 2, 3, 4, or 5) x ____ = _____
3. Round the amount in line #2 up to the next highest \$1,000 _____
Multiply line #3 by the rate per \$1,000 of coverage for your age as of 7/1/2021 (see table to left) _____
4. Divide the amount on line #4 by 1,000. This will be the cost of your Supplemental Employee Life Insurance **per month** \$ _____

Monthly Cost Calculation Example

1. Callie is 54 years old and makes \$20.949/hour. She works a 40-hour week, or 2080 hours a year. This makes her annual basic gross pay \$43,573.92.
2. She elects 4 times her salary, so she multiplies her annual basic gross pay, \$43,573.92, by 4 to get \$174,295.68.
3. Then, she rounds up to the next highest \$1,000, which is \$175,000 in supplemental life coverage.
4. The rate per \$1,000 of coverage for someone Callie's age is \$0.142. She multiplies \$175,000 by \$0.142 for a total of \$24,850.
5. Finally, she divides by \$24,850 by 1,000. Callie's cost of supplemental life coverage will be \$24.85 each month.

Open Enrollment Only

If you are currently enrolled in supplemental life insurance coverage, you may increase your coverage level by one increment without providing evidence of insurability.

Termination/Retirement/COBRA

Upon leaving employment with the State of Nebraska, it is important for you to know the following information about your benefits.

Address & Phone Number Changes

Please keep the State of Nebraska informed of any changes to your address and/or phone number. The State of Nebraska needs this information in order to send you a W-2 and 1095-C in January following the year in which you terminate or retire.

Medical, Dental and Vision

Medical, dental, and/or vision coverage ends on the last day of the month in which you terminate. You have the option to temporarily continue your coverage under COBRA. You will receive information regarding continuation of these benefits from the state's third-party COBRA administrator, ASI COBRA. If you require a faster enrollment process, contact Employee Wellness & Benefits at 402-471-4443 or email at as.employeebenefits@nebraska.gov.

If you have any questions about COBRA, please contact ASI COBRA at 877-388-8331 or asicobra.com.

See page 41 for COBRA/Retiree Premiums.

Early Retiree Insurance Program

This program was created for state teammates who meet the qualifications and retire from employment between ages 55 through 64. Retirees age 65 or older at the time of Retirement and their spouse, will only be offered 18 months of COBRA continuation.

The Early Retiree Insurance Program allows a retiree and enrolled dependents to continue coverage on the state's health, dental, vision, healthcare FSA, and EAP coverage at your own expense. The health insurance premiums include both state and active teammate costs. The teammate and dependent must be actively enrolled in the benefit on their last day of employment to continue coverage. Unlike COBRA, a dependent cannot continue coverage through the Early Retiree Insurance Program unless the teammate/retiree is also enrolled.

When Retiree Insurance Ends

1. Retiree coverage ends 1st of the month in which they turn age 65.
 - Dependents will be offered to continue coverage on COBRA for 36 months or until the beginning of the month when the dependent turns age 65, whichever is sooner.
2. Spouse coverage ends 1st of the month in which they turn age 65.
3. Coverage in the health care FSA may only be continued through the remainder of the current plan year.
4. Monthly premiums are not paid in a timely manner.
5. This provision is changed in a subsequent labor contract.
6. The administrative regulation, contract provision, and/or applicable statutes are changed and continued coverage is no longer available.
7. The State of Nebraska ceases to provide group health insurance to teammates.

ASI COBRA administers the Early Retiree Insurance Program on behalf of the state. If you are eligible, you will receive enrollment documents from ASI COBRA upon retirement. Additional questions about the Retiree Health Insurance Program should be directed to AS-Employee Wellness & Benefits department at 402-471-4443 or email at as.employeebenefits@nebraska.gov.

Disability Retirement Insurance

A teammate under age 55 may retire as a result of disability. A teammate who chooses this option must first elect COBRA and once he/she is approved, the Retirement System will notify Employee Wellness & Benefits office. The individual's coverage will be converted to the Early Retiree Health plan up to the first of the month in which the teammate reaches age 65.

Flexible Spending Accounts

ASIFlex

Health Care: If you have a balance in your Health Care Account at the time of termination, you may request reimbursement up to October 31 following the end of each Plan Year. You may claim expenses incurred through the end of the month of your termination date. If you have a positive balance in your FSA account and are eligible for COBRA, expenses incurred after your termination date will not be eligible for reimbursement unless you continue your coverage through COBRA. If you choose not to elect COBRA, and you have no incurred expenses before leaving the State of Nebraska, then those remaining funds are forfeited. You will receive information from ASI COBRA Services in a separate mailing regarding continuing your Health Care, if applicable. If you have questions, please call ASIFlex directly at 800-659-3035 or email asi@asiflex.com.

Dependent Care Account: If you have a Dependent Care Account at the time of termination, you may be reimbursed for claims incurred through the end of the current plan year up to the balance in your dependent care account at ASIFlex. The deadline for reimbursement requests is October 31 following the end of each Plan Year. If you have questions regarding your Dependent Care Account, please call ASIFlex directly at 800-659-3035 or email asi@asiflex.com.

Health Savings Account (HSA)

Optum Bank

If you have a Health Savings Account, it will continue to be owned by you after leaving the State of Nebraska. You can keep the account with Optum Bank and continue to use the money for qualified healthcare expenses. You may be able to make personal contributions to the account or roll over the account into a new HSA. Contact Optum Bank at 800-791-9361 for assistance.

Employee Assistance Program (EAP)

Deer Oaks

Deer Oaks offers free and confidential Work/Life benefits to you and your family up to 18 months after termination. Visit www.deeroaks.com. Company ID and Password: SON. **Please note: not all agencies offer an EAP through Deer Oaks.**

Long Term Disability (LTD)

UnitedHealthcare

Your Long Term Disability policy ends at midnight the day you terminate. You may continue your long term disability coverage under a Portability Policy. A Portability Application is available on the Employee Wellness & Benefits web page at das.nebraska.gov/personnel/wellness/index.html. Please contact UnitedHealthcare at 877-683-8601 within 31 days of your termination if you would like to take advantage of the Portability Policy.

Short Term Disability is not portable upon leaving employment with the State of Nebraska.

Basic & Voluntary Life

The Hartford

Your life insurance benefits end on the last day of the month in which you terminate. Participants may convert a portion to a private plan. Please contact The Hartford directly at 877-320-0484 within 31 days of your termination date for information on how to convert your policy. A conversion form is available on the Employee Wellness & Benefits website at das.nebraska.gov/personnel/wellness/index.html.
