

What is Direct Primary Care (DPC)?

DPC is membership-based healthcare offered through Strada Healthcare in conjunction with the Standard Plan or Select Plan (High Deductible plans) through United Healthcare. With this plan, members get unlimited access to their Strada healthcare providers by office, phone, or text as needed with no co-pay. Strada gives their members accessible primary care that focuses on prevention and health management. Strada providers reserve their time for DPC members to create personalized health plans. They have time to build relationships with the mutual goal of good health. Personalized care along with better access means happier and healthier patients.

Members who enroll for Standard DPC Plan and Select DPC Plans do not meet the IRS requirements for HSA accounts, therefore, they are not eligible to make contributions to an HSA account. DPC is not health insurance.

Why Direct Primary Care?

Access and Communication

Members have unlimited access to their Strada healthcare team through a secure smartphone app called Spruce. Members can text symptoms, schedule appointments, send a picture, or video-chat with a provider who is only a few taps away. This helps you get the care you need when you need it because of this access Urgent Care and ER visits may not be neccessary.

Covered Services

The following medical services are included in a DPC membership:

- Annual physicals and annual lab work
- Preventative appointments and follow-ups
- EKGs
- · Repair of simple cuts and abrasions
- Treatment of sprains

- Women's health (excluding labs and mammograms)
- Well checks for infants and children (excluding immunizations)
- Chronic disease management
- Weight management and health risk assessment
- Work, school, and sport physicals
- Basic mental health
- Stress management

Cash Pricing

DPC members also have access to discounted cash prices for medical services such as labs, imaging, physical therapy, and chiropractic care. The list of providers and services can be viewed on the Strada website at **www.stradahealthcare. com/Nebraska** under About Us, Cash-Priced Partners.

^{*} Primary Care Physician Office Visits are covered under the memembership with the selected Strada provider.

How does DPC impact me?

See below for a few possible scenarios:

I have 3 small children. How does DPC help me and my family?

Let's say your 6-year-old wakes up with a swollen, itchy, red eye. You know that another child in daycare stayed home last week with pink eye. With DPC, you can use the Spruce app on your phone to take a picture of your child's eye and send it to your Strada provider. You can text back and forth to determine the right treatment, which may include a prescription. All without having to miss work and go to the doctor's office.

I am a 45-year-old woman. Do I have to see a different provider for my annual preventive gynecological exam?

You have options with DPC. (1) You can continue to see your gynecologist for annual preventive screening exams because preventive care is covered at 100% by your Standard or Select health plan. (2) Or, you can see your Strada provider who can perform your annual exam. The annual exam is included in your DPC membership, but you will be responsible for the labs associated with the exam. The labs are typically under \$50.

What happens if I am traveling and I get sick? My Strada provider is in Nebraska.

If your illness isn't an emergency, contact your Strada provider through your Spruce app. Your Strada provider may be able to diagnose your condition and recommend treatment over the phone.

I take several medications. How is that handled through DPC?

Your Strada provider will help you find medications at the lowest cost. Medications may be less expensive if you pay cash for them. You can also continue to access medications through your health plan.

FAQs

Q. What if I discover the DPC is not a good fit for me and my family?

A. You may opt out of DPC upon request to your Employee Wellness & Benefit Team. However you will continue coverage with your current High Deductible Plan.

Q. Are there co-pays when I see my Strada provider?

A. There is never a co-pay when members see their Strada provider.

Q. Can I really come to the clinic as often as I want?

A. Yes. Come in to the clinic, call, or text as needed.

O. What services are not covered?

A. Lab work done after the first visit is not covered, however, it is priced at a very reasonable rate. Medications and diagnostic imaging are also not covered; however, they are available at negotiated prices listed on our website. Specialist, and Hospital care is not included in a DPC Membership. You can access your health plan for this coverage.

Q. What if I need to see a specialist?

A. Strada providers specialize in family practice and can care for a wide variety of health issues for the whole family. For more complex issues, our Strada provider may refer to a specialist. You can access your health plan for this coverage.
