

## Broad Network provides convenient access for all your pharmacy needs

Blue Cross and Blue Shield of Nebraska (BCBSNE) has created pharmacy network options with you as the focus. These networks offer you convenient access to in-network pharmacies for all your prescription needs.

### Broad Network offers:

#### CONVENIENCE

Fill your prescriptions at a convenient retail pharmacy close to work or home.

#### SUPPLY

Fill a one-month supply at more than 55,000 pharmacies nationwide, and up to a 90-day supply at more than 45,000 pharmacies nationwide.

#### ACCESS

Access to major national and regional pharmacy chains, retailers, grocers and independent pharmacies. This network excludes CVS and Target pharmacies.

### How to find a Broad Network pharmacy

Find a participating pharmacy in three easy steps:
