### Save on Your High-Cost Medications with FlexAccess

Managing long-term health conditions can be costly and challenging, especially when it comes to accessing the medications you need. FlexAccess is here to make it easier and more affordable.

**Introducing FlexAccess:** A new program offered through your health plan, designed to help you save on your medications. FlexAccess finds the best copay assistance (coupon) discounts, making your medications more affordable and accessible.

### Benefits of FlexAccess

- **Savings:** Your copays (if applicable) will typically be between \$0–\$35.
- **More Options:** Access high-cost medications at more pharmacies.
- **Peace of Mind:** Payments made through FlexAccess count toward your deductible and out-of-pocket maximum.

**Easy Enrollment:** A FlexAccess representative will contact you to enroll you and your covered family members, ensuring quick participation in the program.

For any questions, please call the **Member Services number** on the back of your ID card.
