

Take the High Road Program

Call for a Ride and Send the Bill to Us

AllOne Health remains concerned about your safety and the safety of others. Therefore, we encourage you to call for a ride in the event that you feel unable to drive due to impairment by a substance or extreme emotional condition. Such circumstances may include over consumption of alcohol, drowsiness due to medication, or if you are extremely upset/troubled over a situation (i.e. you receive bad news at work, you are laid off or let go, learn of a death in the family, finalize a divorce, etc.)

As part of your EAP program, AllOne Health reimburses you and your dependents for cab, Uber and Lyft fares up to \$45.00 (excludes tip) in the United States, once per year, one trip per participant (18+ years of age). The process is simple, and like all other EAP services, confidential. Your receipt may be submitted up to 60 days from date of service. Simply call our Helpline for instructions on how to submit your receipt. It may take up to 45 days for reimbursement.
