

# NEW FOR THE 2026-2027 PLAN YEAR!

## New health insurance carrier

Your health insurance and pharmacy benefit coverage will be provided through Blue Cross and Blue Shield of Nebraska (BCBSNE). This change will be effective July 1, 2026. During open enrollment, you will see three network options available for the health plan you select. Each provides access to quality providers, but with some differences. To determine which network is right for you and your family, visit [NebraskaBlue.com/DoctorFinder](https://NebraskaBlue.com/DoctorFinder), select “Guest search”, and choose the network you’d like to view providers within.

## Benefits included with health plan

These benefits may be available at no additional cost to you:

- Holistic nurse-supported programs for managing chronic conditions, reducing stress, and meeting your health goals
- Type 2 diabetes and prediabetes reversal program
- Virtual care visits with access to 24/7 nurse line and mental health services
- Virtual physical therapy and personalized musculoskeletal support
- Health and wellness discounts and savings program
