

Are you pregnant? Or recently had a baby?

Blue Cross and Blue Shield of Nebraska and ProgenyHealth® want to support you. There is no cost to you.

Blue Cross and Blue Shield of Nebraska (BCBSNE) has teamed up with ProgenyHealth to bring you a Maternity and NICU Case Management program. This program can help support you during pregnancy and after your baby is born.

Your ProgenyHealth Case Manager can help with:

Maternity Case Management:

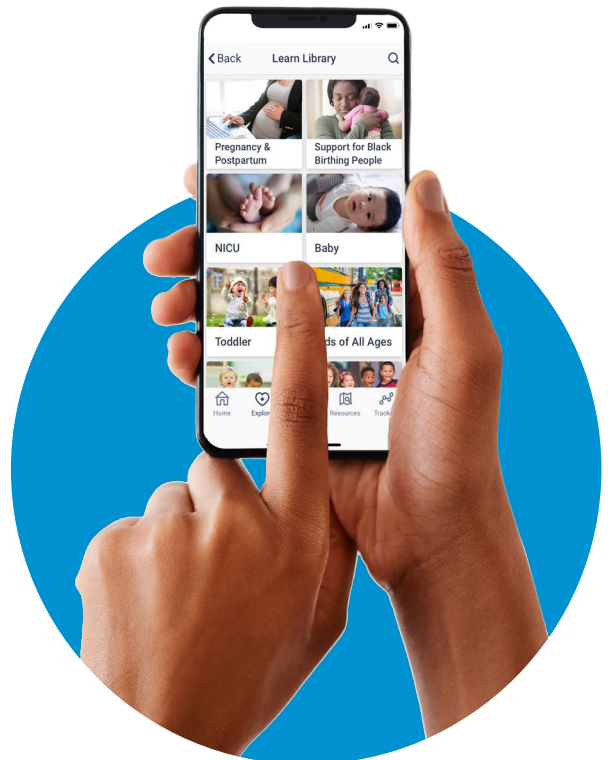

- Sharing education and ongoing support
- Setting up doctors' visits
- Making care plans
- Using the Mobile App

NICU Case Management:

- Reaching out to you if your baby is in the NICU
- Working on a care plan for your baby with you and your baby's doctor
- Helping you understand your baby's needs
- Following up after you go home

Postpartum Support:

- Parenting education and support
- Keeping your doctors' appointments after your baby is born
- Helping with breastfeeding
- Finding local resources in your community

Use the Mobile App so you can:

- Track your pregnancy
- Learn tips for taking care of your baby
- Make to-do lists
- Contact your ProgenyHealth Case Manager
