

## Because your hearing health is part of your overall health

### UnitedHealthcare Hearing offers two ways forward

#### Get help from a hearing care professional

An expert-guided path means you'll have a no-cost hearing exam and consultation, then have help finding the right hearing aid for your lifestyle. You'll also get in-person fittings and adjustments for your prescription hearing aids.

**Start by visiting**  
[uhchearing.com/prescription](https://uhchearing.com/prescription)

#### Take the self-guided path

Don't want the hassle of appointments or prescriptions? If you have mild-to-moderate hearing loss, you can shop for over-the-counter hearing aids that are covered by your benefits.

**Start by visiting**

Hearing

## Good-to-know details

- ✓ Hearing aids today typically are smaller, less noticeable, and more comfortable than they used to be
- ✓ Both prescription and over-the-counter (OTC) hearing aids come in a variety of styles to fit your lifestyle, budget and goals
- ✓ A convenient, national network of hearing care professionals offer support for prescription devices

**Choose from a broad array of high quality hearing aids from major brands.**

## What to expect from hearing aids

Innovative new hearing aids help you stay connected and engaged, from versatile over-the-counter devices to the cutting-edge technology of prescription hearing aids.

### Prescription devices include:

An expert-guided path with in-person support

Personalized recommendations and follow-up

### Over-the-counter devices allow you to:

Shop online and have your devices shipped to your door

Set up and fine-tune your devices on your own
