

Introducing a no-cost benefit

HOME ACCESS

Special program for ProLending

ProLending Home Access

ProLending understands that employees are more than just staff members, they are family. As a member of our family your employees will have access to competitive interest rates and valuable closing costs credits*.

The Home Access Program empowers you to deliver a useful benefit and a fantastic home loan experience to your organization.

Benefits You Will Receive

Highly accessible

- Custom web portal provides technology when you want it, a human touch when you don't. A dedicated mortgage advisor is a "click" or a "tap" away.

Educational events

- Personal support, education, and tools your employees need to confidently plan for and move through the home financing process.

\$1,000 in closing cost credits

- Your employees will receive competitive interest rates and a \$1,000 lender paid closing cost credit*.

Free Home Warranty

- When you purchase a primary or secondary home.

Free 6-months access to HLP.guru

- HLP is a suite of credit tools designed to help you achieve and sustain homeownership.

Provide your people access to an innovative mortgage experience and you'll get all the credit!

*Lender paid closing costs credits vary regionally. Lender closing costs credits issued at closing of a home mortgage purchase, excluding pre-paid items and escrow closing fees. Ask your Mortgage Advisor for what is available in your area.
